## Request for Proposals for Communication and Public Relations Services

**Date Issued: February 17, 2012**

## ***I. INTRODUCTION***

### **Background**

The College Savings Plans Network (CSPN), an affiliate of the National Association of State Treasurers (NAST), is an association of state administrators and their private sector partners who administer Section 529 qualified tuition plans dedicated to enhancing communication, cooperation, and effective administration among the plans. CSPN works to promote and enhance making higher education opportunities an affordable reality. CSPN seeks to influence the setting of national policy affecting Section 529 qualified tuition plans to ensure that these programs remain an effective vehicle for families to save for college. In addition, CSPN seeks to promote public awareness and understanding of the purpose and value of saving for college and to be recognized as the primary authoritative and objective source for information concerning Section 529 qualified tuition plans. (For additional information about CSPN see Attachment A: CSPN Strategic Plan.)

CSPN is concluding a two-year engagement with a public relations firm and is soliciting bids from all interested parties for a new two-year contract with the potential for an additional two-year extension.

### **Request for Proposals**

CSPN is requesting proposals from interested public relations firms to provide communications and public relations services that will:

- promote CSPN as an official, objective source of information on 529 plans;
- position CSPN as a leading and trusted source of 529 plan information for the media and the public;
- promote success, impact, and acceptance of 529 plans;
- promote the ability to participate in 529 plans regardless of income;
- support the Network's federal initiatives;
- drive traffic to the CSPN Website;
- grow awareness of CSPN's reputation and brand; and
- produce clear measures of success.

The firm submitting the successful proposal is expected to negotiate and enter into a contract with CSPN / NAST.

### **Term of Contract**

CSPN intends to enter into a contract with a proposer for an initial 2-year term beginning July 1, 2012 and concluding on June 30, 2014. At its sole option, CSPN may choose to exercise one additional two-year term.

## ***II. Scope of Services***

The following provides a general overview of the specific work assignments CSPN will expect the selected firm to complete. The agency will need to complete a comprehensive action plan for how the agency would approach each of the items listed below and the budget page should itemize the cost for completing each item listed. The Scope of Services includes three major components: Media Relations; Web Site Visitation; and Reputation and Branding.

### **1. Media Relations**

CSPN is seeking a media relations firm to assist CSPN in achieving the goals and objectives listed above. The scope of work will include:

- Review and Implement a national media strategy utilizing and enhancing CSPN's network of 529 and financial media contacts.
- Develop relevant, universal messaging in response to current opportunities and events that can be used by each state/529 plan.
- Develop and coordinating media events to promote 529 savings, to promote events, or in response to external events that require a proactive response.
- Schedule media interviews for various CSPN members to promote 529 savings, to promote events, or in response to external events that require a proactive response.
- Draft news releases, advisories and backgrounders to promote 529 savings, to promote events, or in response to external events that require a proactive response.

- Proactively identify opportunities for media coverage, both nationally and in various states.
- Develop “CSPN 529 Reports” to promote college savings and the goals of CSPN.
- Track stories in the national media on 529 issues, in cooperation with state programs, to 1) identify stories that require a response from CSPN and 2) monitor effectiveness of CSPN’s own press releases, story pitches and activities.

## **2. Web Site Usage/Visitation**

The following have been identified by CSPN as potential tactics to promote and increase usage of the web site. These should not be considered an exhaustive listing of tactics to be employed to meet the goal stated above. CSPN welcomes proposer’s recommendations to add tactics and strategies to this list that can further enhance our ability to provide valuable information to CSPN web site users.

- Evaluate and recommend enhancements to the CSPN website “CollegeSavings.org” and promote the site as the premiere non-commercial, educational web site regarding 529 plans. CSPN will monitor traffic to the site as a metric for progress.
- Identify and communicate simple savings strategies that the public can utilize to achieve their college savings goals.
- Utilize search marketing such as Google and Yahoo, and an appropriate social media marketing resource.
- Develop an opt-in, email-marketing program featuring a quarterly e-newsletter containing consumer-oriented 529 plan tips, national 529 updates and a guest column by authors such as CSPN board members, 529 plan representatives and 529 plan consumers.
- Add a chat feature to the web site to allow users to ask questions.
- Develop a plan to increase followers on social media sites such as Facebook and Twitter.

## **3. Reputation and Branding**

CSPN is highly utilized and recommended by 529 professionals as the organization with “answers” regarding 529 college savings plans and in particular, for the college saving public. CSPN also provides unbiased, non-commercial, clear information and resources for stakeholders that are unavailable elsewhere. CSPN seeks to build a reputation for accuracy, thoroughness, and independence.

The following have been identified by CSPN as tactics to enhance CSPN’s reputation and branding. These should not be considered an exhaustive listing of tactics to be employed to meet the goal stated above. CSPN welcomes proposers to add tactics and strategies to this list.

- Focus on building the CSPN “brand,” developing and presenting a well-differentiated value proposition.
- Establish and maintain CSPN as “thought leaders” in the 529 industry.
- Consider developing and utilizing a tagline that would identify 529 plans as members of the CSPN network.
- Work with CSPN to strengthen cooperative efforts with all state-sponsored 529 plans to reinforce the brand. Encourage state government websites to link to CSPN.
- Pursue corporate and/ or foundation partners to co-sponsor a special event, such as a scholarship contest during College Savings Month.
- Help to develop strategic alliances with major associations to develop opportunities to promote college savings in 529 plans.

- The Vendor states that a service requirement cannot be met.
- The Vendor's response materially changes a service requirement.
- The Vendor's response limits the rights of CSPN.

- The Vendor fails to include any signature, certification, authorization, stipulation, disclosure or guarantee requested of this RFP.
- The Vendor presents the information requested by this RFP in a format inconsistent with the instructions of the RFP.

Nonmaterial variances include minor informalities that do not affect responsiveness; that are merely a matter of form or format; that do not change the relative standing or otherwise prejudice other Vendors; that do not change the meaning or scope of the RFP; or that do not reflect a material change in the services. In the event CSPN waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the Vendor from full compliance with RFP specifications or other contract requirements if the Vendor is awarded the contract. The determination of materiality is in the sole discretion of CSPN.

## **Reference Checks**

CSPN reserves the right to contact any reference to assist in the evaluation of the bid proposal, to verify information contained in the bid proposal and to discuss the Vendor's qualifications.

## **Copyrights**

By submitting a bid proposal, the Vendor agrees that CSPN may copy the bid proposal for purposes of facilitating the evaluation of the bid proposal. The Vendor consents to such copying by submitting a bid proposal and warrants that such copying will not violate the rights of any third party. The Vendor shall specifically agree that the bid proposal is predicated upon the acceptance of all terms and conditions stated in the RFP. If the Vendor objects to any term or condition, the Vendor must specifically refer to the RFP page and section. Objections or responses that materially alter the RFP may be deemed non-responsive and disqualify the Vendor.

## **Evaluation of Bid Proposals Submitted**

Bid proposals that are timely submitted and are not subject to disqualification will be reviewed in accordance with Section V and VI of the RFP.

## **Choice of Law and Forum**

This RFP and the resulting contract are to be governed by the laws of the state of Kentucky. Changes in applicable laws and rules may affect the award process or the resulting contract. Vendors are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFP shall be brought in the appropriate Kentucky forum.

**Section 2.1—Scope of Work.** NAST engages CONTRACTOR to furnish, and CONTRACTOR agrees to furnish to NAST, the work described in Appendix 1 which is attached to and made a part of this Agreement (the "Work") at the times herein specified, it being understood and agreed that time is of the essence in performance.

**Section 2.2—Control of Work.** CONTRACTOR shall perform the Work as an independent contractor using CONTRACTOR'S own personnel, equipment, materials, supplies, facilities, and resources. NAST is interested only in the results to be achieved, and the conduct and control of the Work will lie with CONTRACTOR. Except as herein contemplated or specified, NAST will not control the means, method, mode or manner of CONTRACTOR'S performance. Except as herein contemplated or specified, or when necessary to coordinate effectively with NAST, the Work will be performed at a location of CONTRACTOR'S choice.

**Section 2.3—Quality of Work.** CONTRACTOR represents that CONTRACTOR has the knowledge, resources, staff, capacity, ability, training, skills, and experience to perform the Work at a professional level at or above average industry standards. CONTRACTOR warrants that the Work shall be completed in a workmanlike manner consistent with customary standards in the trade, profession, or industry; shall conform to or exceed the specifications set forth in this Agreement; shall be reasonably satisfactory to

CONTRACTOR represents that the Coordinator and all other key personnel have the qualifications and experience to perform their functions in the manner contemplated and required by this Agreement. CONTRACTOR shall not reassign or replace key personnel, except for reasons beyond CONTRACTOR’s reasonable control, in which event CONTRACTOR shall replace any key personnel with personnel with commensurate skills and experience, and any such replacement shall be subject to NAST’s prior review and approval.

### **ARTICLE 3** **COMPENSATION AND RECORDS**

**Section 3.1—Consideration.** As full consideration for the Work, NAST shall pay CONTRACTOR the sum of \* Dollars and \* Cents (\$\*) per hour; provided, however, that the consideration payable hereunder shall not exceed \* Dollars (\$\*) per day; and provided further that the total consideration payable under this Agreement shall not exceed the sum of \* Dollars (\$\*). CONTRACTOR agrees to accept such consideration as full compensation for completing the Work and to sign such waivers of lien, affidavits and receipts as NAST shall request in order to acknowledge payment.

**Section 3.2—Expenses.** The consideration specified in Section 3.1 hereof constitutes the full and complete consideration payable to CONTRACTOR for the Work, and NAST shall not be liable to CONTRACTOR for any costs or expenses paid or incurred by CONTRACTOR in the performance of CONTRACTOR’S obligations hereunder. Notwithstanding the foregoing, NAST shall reimburse CONTRACTOR for actual, direct, allowable, and reasonable travel expenses incurred by CONTRACTOR and required as part of the Work hereunder; provided, however, and anything contained herein to the contrary notwithstanding, that NAST shall not have an obligation to reimburse CONTRACTOR for any such expenses except to the extent they (i) have been approved in advance by NAST, (ii) comply with the Federal Travel Regulation System regulations contained in Subtitle F of Title 41 of the Code of Federal Regulations, and (iii) are properly documented by the submission of original invoices and receipts to NAST within thirty (30) days of incurring costs. Notwithstanding the foregoing, unless waived in writing by NAST, CONTRACTOR shall be reimbursed for lodging and subsistence costs on a per diem basis according to the applicable federal government per diem rates, and original receipts shall not be required for such costs. In no event will CONTRACTOR be reimbursed for the costs of entertainment, alcoholic beverages, first class airfare, rental cars without prior approval, meals and hotel costs exceeding the federal per diem rate, or dry cleaning. NAST reserves the right to disallow any items of travel expenses that it considers, in its sole discretion, to be unallowable or unreasonable to the performance of this Agreement. Anything contained herein to the contrary notwithstanding, in no event shall NAST be required to reimburse CONTRACTOR hereunder for total, cumulative travel expenses in excess of \* Dollars (\$\*).

**Section 3.3—Invoices.** On or before the \* day of each calendar month, CONTRACTOR shall submit to NAST an invoice for the Work furnished and reimbursable travel expenses incurred during the immediately preceding calendar month during the term hereof. All invoices submitted hereunder shall be on the form

which is attached to and made a part of this Agreement as Appendix 2. CONTRACTOR shall fully and accurately complete such form and submit to NAST an original thereof, duly executed by CONTRACTOR'S authorized signatory, together with any and all required documentation. Following the submission of an invoice, CONTRACTOR shall promptly provide any clarification, supplementation or documentation requested by NAST.

**Section 3.4—Payment.** Subject to the provisions of this Agreement, including, without limitation, the provisions of this Section and Section 3.5 hereof, and subject also to NAST'S right to verify the accuracy of each invoice and the satisfactory performance of the Work evidenced thereby, NAST will make payment(s) to CONTRACTOR hereunder within thirty (30) calendar days after the later of NAST'S receipt of (i) each invoice from CONTRACTOR strictly conforming to the requirements of Section 3.3 of this Agreement, or (ii) all clarification, supplementation or documentation requested by NAST pursuant to the terms of Section 3.3. Anything contained herein to the contrary notwithstanding, NAST shall have no obligation to accept or pay any invoice submitted more than thirty (30) days after the expiration, termination or cancellation of this Agreement, nor shall NAST be required to pay the final invoice submitted hereunder prior to CONTRACTOR'S full and satisfactory performance of this Agreement, in accordance with all of the terms, covenants and conditions hereof.

**Section 3.5—Conditions Prerequisite to Payments.** Any other provision in this Agreement to the contrary notwithstanding, in addition to its other rights and remedies, NAST may, in its sole discretion, elect to withhold or reduce payments to CONTRACTOR hereunder in the event that (i) CONTRACTOR makes or has made any misrepresentation in this Agreement or in any information furnished to NAST in connection with this Agreement; (ii) CONTRACTOR breaches any covenant, warranty, term or condition contained in this Agreement, including, without limitation, the failure to submit Work conforming to the standards specified in Section 2.3 hereof; or (iii) NAST has reasonable grounds for insecurity with respect to CONTRACTOR'S performance under this Agreement.

**Section 3.6—Audit and Inspection of Records.** CONTRACTOR agrees that NAST, the Awarding Agency, the Inspector General, the Comptroller General of the United States, or any of their duly authorized representatives, including, without limitation, independent auditors, shall have the right of timely and unrestricted access to any and all books, documents, papers, and records of CONTRACTOR that are pertinent to this Agreement, in order to make audits, examinations, excerpts, transcriptions and copies. This right also includes timely and reasonable access to CONTRACTOR'S personnel for the purpose of interview and discussion related to such documents.

## **ARTICLE 4**

### **RELATIONSHIP OF THE PARTIES**

**Section 4.1—Independent Contractor Relationship.** CONTRACTOR is an independent contractor, and nothing contained in this Agreement shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or otherwise to create any liability for NAST whatsoever with respect to the indebtedness, liabilities, or obligations of CONTRACTOR or any other party. Neither CONTRACTOR nor any of CONTRACTOR'S employees, agents, representatives, or any person or entity acting by or through CONTRACTOR shall be considered or hold itself out as an employee, servant, agent, partner, joint venturer, or representative of NAST. NAST does not agree to use CONTRACTOR exclusively, and CONTRACTOR is free to contract for similar services to be performed for others while under contract with NAST.

**Section 4.2—Taxes.** CONTRACTOR shall be solely responsible for, and NAST shall have no obligation with respect to, the withholding and payment of federal, state, and local taxes, fees, and assessments of every kind and nature with respect to the Work performed and the consideration payable under this Agreement, including, without limitation, all income, FICA, unemployment and other payroll taxes. CONTRACTOR shall fully and timely withhold and pay all such taxes, assessments and fees, and shall timely file properly prepared tax returns with respect thereto. CONTRACTOR shall furnish to NAST, upon request, a certificate or other evidence of compliance with all federal, state, and local laws concerning such taxes, assessments and fees. CONTRACTOR represents that CONTRACTOR has delivered to NAST

a current, executed, original IRS Form W-9; that the information contained on such form is true, correct and complete; and that the person executing such form on behalf of CONTRACTOR has full power and authority to do so.

**Section 4.3—Benefits.** Neither CONTRACTOR nor any of CONTRACTOR’S employees, agents, representatives, or any person or entity acting by or through CONTRACTOR shall have any claim against NAST under this Agreement or otherwise for vacation pay, sick pay, holiday pay, retirement or pension benefits, social security, worker’s compensation, health or disability benefits, life insurance, unemployment insurance benefits, or employee benefits of any kind or nature whatsoever. CONTRACTOR shall provide and maintain all worker’s compensation, unemployment insurance, and employee benefits required by law.

## **ARTICLE 5**

### **PROPERTY RIGHTS AND PUBLICATIONS**

**Section 5.1—Right, Title and Interest.** CONTRACTOR hereby grants to NAST, and to NAST’S successors, assigns, and licensees, permission to record, by any means, all speeches and presentations made by CONTRACTOR, or others on behalf of CONTRACTOR, as part of the Work hereunder. The Work and all data, reports, research, content, programs, information, speeches and presentations (together with all handouts, outlines and ancillary materials), articles, papers, documents, products, recordings (including, without limitation, recordings made by NAST pursuant to this Section), materials (including, but not limited to, written or electronically stored materials or ideas), and other original works of authorship fixed in a tangible medium of expression, that are prepared, developed, made, generated, created, written, conceived, originated, furnished, performed, presented or modified by CONTRACTOR, or others on behalf of CONTRACTOR, as part of or in connection with the Work to be performed or furnished under this Agreement (collectively referred to as "Developments") are to be considered works made for hire as that term is defined in Section 101 of the Copyright Act (17 USC § 101) and shall be the sole and exclusive property of NAST, without any further consideration paid to CONTRACTOR. To the extent that the Work and the Developments may not be considered works made for hire, or to the extent that the preceding sentence is declared invalid either in substance or purpose, in whole or in part, CONTRACTOR hereby irrevocably transfers, grants, conveys, assigns, and relinquishes exclusively to NAST, and to NAST’S successors, assigns, and licensees, all right, title, and interest in and to the Work and the Developments, including, without limitation, all copyright, patent, trademark, trade secret, trade name, and other intellectual property rights, without the necessity of further consideration; and CONTRACTOR forever waives any and all rights relating to the Work and the Developments, including, without limitation, any and all rights arising under 17 USC § 106A or any other rights of attribution, identification or authorship or rights of approval, restriction, or limitation on use or subsequent modifications. CONTRACTOR shall execute such further documents and instruments and take such further actions as NAST may reasonably request in order fully to vest, perfect, and record NAST’S right, title and interest in and to the Work and the Developments, including, without limitation, all reasonable assistance to enable NAST to prepare, file and prosecute any United States or foreign application for all types of patents, trademarks or copyright registrations that NAST deems appropriate.

CONTRACTOR further authorizes NAST and NAST’S successors, assigns and licensees to use, without further consideration, CONTRACTOR’S name, likeness, voice, photograph, and biographical data in all forms and media, including, without limitation, composite or modified representations, in connection with the use, publication and promotion of any aspect of the Work and the Developments. CONTRACTOR waives the right to inspect or approve versions of CONTRACTOR’S image or biographical data used for publication or the written copy that may be used in connection therewith and forever releases NAST and NAST’S successors, assigns, and licensees from any and all claims that may arise regarding the use of CONTRACTOR’S name, likeness, voice, photograph or biographical data including, without limitation, any claims of defamation, invasion of privacy, or infringement of moral rights, rights of publicity, rights of privacy, trademark or copyright.

Anything contained herein to the contrary notwithstanding, it is understood and agreed that this Agreement is funded by federal funds, and that the federal Awarding Agency reserves a royalty-free, nonexclusive and irrevocable right to reproduce, publish, or otherwise use the Work and the Developments for federal

purposes, and to authorize others to do so. Notwithstanding any provision of this Agreement, unless waived by the federal Awarding Agency, the federal government has the right to obtain, reproduce, publish or otherwise use the data first produced under an award, and to authorize others to receive, reproduce, publish, or otherwise use such data for federal purposes. Nothing contained herein shall be construed to abridge, modify or limit the rights of the federal government in any resulting invention in accordance with 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the federal Awarding Agency.

**Section 5.2—Proprietary Representations and Warranties.** CONTRACTOR represents and warrants that neither the Developments, the Work, the performance of CONTRACTOR'S obligations hereunder, nor the exercise of the rights herein granted to NAST shall violate or infringe any statutory, common law, proprietary, contractual or personal rights of others (including, without limitation, any copyrights, privacy rights, patents, trademarks, trade names or trade secrets); that the Developments and the Work shall be factually accurate and contain no matter libelous, slanderous, defamatory or otherwise unlawful; that the Developments and the Work shall be CONTRACTOR'S own original work or that CONTRACTOR shall have obtained all necessary permissions from any persons, entities or organizations whose materials are included in the Developments or the Work; that CONTRACTOR has full power to grant the rights herein granted to NAST; that CONTRACTOR has not previously granted any rights adverse to the rights herein granted to NAST; and that there are no rights outstanding which would diminish, encumber, or impair the full enjoyment or exercise of the rights granted by CONTRACTOR to NAST and NAST's successors, assigns, and licensees.

**Section 5.3—Confidentiality.** NAST shall have the sole right to determine the treatment of the Work and the Developments, including, but not limited to, the right to keep the same as a trade secret; to use, disclose, and publish the same without prior patent application or copyright registration; to file the same in its own name or the name of an affiliate; or to follow any other procedure which NAST may deem appropriate. CONTRACTOR acknowledges and agrees that the Work and the Developments are confidential and proprietary trade secret information of NAST, protected by law and of substantial value to NAST. CONTRACTOR shall take reasonable precautions to protect the confidentiality of the Work and the Developments and shall not disclose the Work or the Developments to any third party or use the same in any way, for CONTRACTOR'S own account or the account of any third party, except as expressly permitted by or required to achieve the purposes of this Agreement. Anything contained herein to the contrary notwithstanding, CONTRACTOR shall not be liable for any disclosure which (i) is or becomes within the public domain or is or becomes otherwise generally known to the public through no breach of this Agreement, (ii) is disclosed with the prior written approval of NAST, (iii) is permitted or required to be disclosed pursuant to the express terms of this Agreement, or (iv) is required by law to be disclosed, but only after NAST has been notified in writing and provided an opportunity to take appropriate action to protect its legal interest in the Work and the Developments.

**Section 5.4—News Releases.** As a matter of policy, NAST does not endorse the products or services of its contractors. CONTRACTOR will not make any news releases concerning this Agreement or CONTRACTOR'S performance of the Work hereunder without the prior written approval of NAST, it being understood and agreed that NAST shall have no obligation to grant such approval.

**Section 5.5—Publications.** All Work and Developments, including, without limitation, written, visual, and audio publications and promotional materials, that are required or permitted to be published by CONTRACTOR (the "Published Materials") shall reflect the relationship among CONTRACTOR, NAST and the Awarding Agency, and shall contain the following statement in legible, easily readable print:

*This \* is funded by an award to The Council of State Governments from INSERT NAME OF AWARDING AGENCY. Funding is not an endorsement of any products, opinions, or services. All INSERT NAME OF AWARDING AGENCY funded programs are extended to the public on a non-discriminatory basis.*

All Published Materials shall conform to the format, design, content and approach of all other materials prepared in connection with the Project, and CONTRACTOR shall ensure that the Published Materials conform to any templates and guidelines that NAST may supply with respect thereto. CONTRACTOR shall provide to NAST (i) a draft copy of all Published Materials for review and approval prior to publication or distribution, and (ii) a final copy of all Published Materials immediately following publication or distribution. Unless otherwise specified by NAST, draft and final copies of Published Materials shall be furnished to NAST in both electronic and hard copy.

**Section 5.6—Irreparable Injury.** The parties agree that CONTRACTOR’S breach of CONTRACTOR’S obligations under this Article 5 will result in irreparable and continuing injury and damage to NAST for which there will be no adequate remedy at law, entitling NAST to injunctive relief and a decree for specific performance, together with such other relief as may be proper (including monetary damages).

Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient. CONTRACTOR shall comply, and subject to the provisions of Section 9.5 hereof, shall require CONTRACTOR'S subcontractors hereunder to comply, with the lobbying restrictions of the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).

**Section 7.2—Insurance.** Without limiting CONTRACTOR'S obligations under Section 7.1 hereof, CONTRACTOR shall, at CONTRACTOR'S sole expense, procure, maintain and keep in full force and effect during the term hereof the following insurance coverage: (i) workers' compensation insurance (including a stop gap endorsement and an all states endorsement) in an amount required by law, but no less than \$500,000 per accident; (ii) employer's liability insurance (with no occupational disease exclusion) with a minimum combined single limit of \$1,000,000 per occurrence for bodily injury, disease and property damage; (iii) comprehensive general liability insurance (covering, without limitation, liability arising from premises, operations, independent contractors, completed operations, personal injury, products, civil lawsuits, Title VII actions and liability assumed under an insured contract) with coverage of not less than \$1,000,000 per occurrence and \$2,000,000 in the aggregate for bodily injury and property damage; (iv) comprehensive automobile liability insurance for owned, hired, and non-owned vehicles used in performance of the Work, with a minimum combined single limit of \$1,000,000 for bodily injury and property damage; (v) professional liability (errors and omissions) insurance (with no copyright infringement exclusion) with a minimum combined single limit of \$1,000,000 per claim; and (vi) all other insurance required by federal, state and local laws. ## **ARTICLE 8**

### **TERMINATION, CANCELLATION, AND WINDING UP**

**Section 8.1—Termination due to Unavailability of Funding.** This Agreement is, at the option of NAST, subject to and contingent upon NAST'S continuing receipt of funds from the Awarding Agency for the purposes set forth herein. If, for any reason, such funds are not granted or appropriated or are withdrawn, discontinued, limited, impaired, reduced, cancelled, or otherwise made unavailable, in whole or in part, NAST may terminate this Agreement, in whole or in part, effective immediately upon written notice to CONTRACTOR (or any date specified therein).

**Section 8.2—Cancellation for Cause.** In the event that CONTRACTOR (i) becomes insolvent, subject to receivership, or voluntarily or involuntarily subject to the jurisdiction of the bankruptcy court, (ii) makes any misrepresentation hereunder or breaches any warranty, covenant, obligation or term hereof, including, without limitation, the failure satisfactorily to perform the Work within the time requirements specified in this Agreement, or (iii) takes or omits to take any action that endangers the timely and satisfactory performance of the Work, then NAST may, in addition to and not in limitation of all other rights and remedies specified in this Agreement or available at law or in equity, cancel this Agreement for cause. Cancellation under this Section 8.2 shall be effective upon written notice to CONTRACTOR (or any date specified therein), provided that such cancellation may be exercised only after notice of default or breach to CONTRACTOR and the subsequent failure of CONTRACTOR, within five (5) business days of such notice, to provide evidence, satisfactory to NAST, that the declared default or breach has been corrected.

**Section 8.3—Termination for Force Majeure.** This Agreement is subject to any unforeseeable circumstance beyond the reasonable control of, and without fault or negligence of, a party which makes it illegal or impracticable for such party to perform its material obligations hereunder ("an event of force majeure"), including, without limitation, acts of God, war, national emergency, terrorism and/or responses thereto, government regulations, strikes, and civil disorder. Upon the occurrence of an event of force majeure, this Agreement may be terminated effective upon written notice from the affected party to the other.

**Section 8.5—Winding Up.** Upon termination of this Agreement pursuant to Sections 8.1, 8.3, or 8.4 hereof, or cancellation of this Agreement pursuant to Section 8.2 hereof, CONTRACTOR shall (i) not be entitled to, and hereby waives all claims to, compensation, damages, costs or profits related to Work not performed due to such termination or cancellation; (ii) except in the case of termination by CONTRACTOR under Section 8.3 hereof, satisfactorily complete Work in progress at the compensation specified herein (or a pro rata basis if necessary) if so requested in writing by NAST; and (iii) promptly execute any documents and take any actions necessary to effectuate an assignment of this Agreement if so requested by NAST. Upon termination, expiration or cancellation of this Agreement, for any purpose, CONTRACTOR shall immediately deliver to NAST all copies of the Work and the Developments, together with a report of Work completed, or in progress, through the date of termination, expiration or cancellation. The parties waive application of the principle of contract construction that ambiguities are to be construed against a contract's drafter, and agree that this Agreement is their joint product. All of the clauses of this Agreement are distinct and severable, and if any clause shall be declared illegal, void, or unenforceable, it shall not affect the validity, legality, or enforceability of any other clause or portion of this Agreement.

**Section 9.3—Governing Law and Jurisdiction.** This Agreement shall be governed by, construed, and enforced in accordance with the laws of \*, without giving effect to any conflicts principles that would require the application of the law of any other jurisdiction.
