Section 1 Introduction

1.1 Purpose

The **Iowa Economic Development Authority's (IEDA) Business Development Division** and **Iowa Tourism Office** are soliciting proposals from experienced entities for the planning and execution of its strategic marketing efforts. IEDA is seeking a vendor(s) to work with its professional and experienced Communications/Marketing staff to continue and advance the state's integrated marketing strategy to achieve the business development and tourism objectives described in Section 1.2 below.

Vendors may submit proposals on any or all of the Services Elements described in Section 3. IEDA will entertain, and in fact encourages, partnerships among providers. IEDA reserves the right to award components of the contract to various bidders to create the "best of." However, it is IEDA's intent to issue both the Business Development and Tourism business to the same provider (or combination of providers) in order to leverage the state's overall brand identity, to better develop messaging that is consistent across audience groups and to create administrative efficiencies.

IEDA intends to award a one (1) year contract, or contracts (if multiple vendors are selected). The contract period is July 1, 2015 - June 30, 2016, with options to renew for one year on July 1, 2016 and on July 1, 2017. The options to renew are at IEDA's sole discretion. Any contract(s) resulting from the RFP shall not be an exclusive contract(s).

The total amount of the contract(s) resulting from this RFP is not yet known. This figure will be determined based on final appropriations from the Iowa Legislature and budget allocation approval by the Iowa Economic Development Board. Historically, billings over a 3-year period have ranged from \$15-20 million.

2.6 Amendment to the RFP and Bid Proposal and Withdrawal of Bid Proposal

IEDA reserves the right to amend the RFP at any time. The vendor shall acknowledge receipt of an amendment in its proposal. If the amendment occurs after the closing date for receipt of bid proposals, IEDA may, in its sole discretion, allow vendors to amend their bid proposals in response to IEDA's amendment if necessary.

The vendor may amend its bid proposal. The amendment must be in writing, signed by the vendor and received by time set for the receipt of proposals. Electronic mail and faxed amendments will not be accepted.

It is the vendor's responsibility to ensure that the bid proposal is received prior to the deadline. Postmarking by the due date will not substitute for actual receipt of the bid proposal. Electronic mail and faxed bid proposals will not be accepted.

Vendors must furnish all information necessary to evaluate the bid proposal. Bid proposals that fail to meet the mandatory requirements of the RFP will be disqualified. Verbal information provided by the vendor shall not be considered part of the vendor's proposal.

2.8 Bid Proposals Confidential Until Completion of Review and Award Notice

The bid proposals will remain confidential until the Evaluation Committee has reviewed all of the bid proposals submitted in response to this RFP and IEDA has announced a notice of intent to award a contract. See Iowa Code Section 72.3.

2.9 Costs of Preparing the Bid Proposal

The costs of preparation and delivery of the bid proposal are solely the responsibility of the vendor.

2.10 Rejection of Bid Proposals

IEDA reserves the right to reject any or all bid proposals, in whole and in part, received in response to this RFP at any time prior to the execution of a written contract(s).

Issuance of this RFP in no way constitutes a commitment by IEDA to award a contract(s). This RFP is designed to provide vendors with the information necessary to prepare a competitive bid proposal. This RFP process is for IEDA's benefit and is intended to provide IEDA with competitive information to assist in the selection of a vendor(s) to provide services. It is not intended to be comprehensive and each vendor is responsible for determining all factors necessary for submission of a comprehensive bid proposal.

2.11 Disqualification

IEDA shall reject outright and shall not evaluate proposals for any one of the following reasons:

- 2.11.1** The vendor fails to deliver the bid proposal by the due date and time.
- 2.11.2** The vendor states that a portion of a Services Element on which it is bidding cannot be met.
- 2.11.3** The vendor's response materially changes a Services Element.
- 2.11.4** The vendor's response limits the rights of IEDA.
- 2.11.5** The vendor fails to include information necessary to substantiate that it will be able to meet a Services Element. A response of "will comply" or merely repeating the requirement is not sufficient. Responses must indicate present capability; representations that future developments will satisfy the requirement are not sufficient.
- 2.11.6** The vendor fails to respond to IEDA's request for information, documents, or references.
- 2.11.7** The vendor fails to include any signature, certification, authorization, stipulation, disclosure or guarantee requested in section 4 of this RFP.
- 2.11.8** The vendor presents the information requested by this RFP in a format inconsistent with the instructions of the RFP.
- 2.11.9** The vendor initiates unauthorized contact regarding the RFP with state employees.
- 2.11.10** The vendor provides misleading or inaccurate responses.

2.12 Nonmaterial and Material Variances

IEDA reserves the right to waive or permit cure of nonmaterial variances in the bid proposal if, in the judgment of IEDA, it is in IEDA's best interest to do so. Nonmaterial variances include minor informalities that do not affect responsiveness; that are merely a matter of form or format; that do not change the relative standing or otherwise prejudice other vendors; that do not change the meaning or scope of the RFP; or that do not reflect a material change in the services. In the event IEDA waives or permits cure of nonmaterial variances, such waiver or cure will not modify the RFP requirements or excuse the vendor from full compliance with RFP specifications or other contract requirements if the vendor is awarded the contract. The determination of materiality is in the sole discretion of IEDA.

2.13 Reference Checks

IEDA reserves the right to contact any reference to assist in the evaluation of the bid proposal, to verify information contained in the bid proposal and to discuss the vendor's qualifications and the qualifications of any subcontractor identified in the bid proposal.

2.14 Information From Other Sources

IEDA reserves the right to obtain and consider information from other sources concerning a vendor, such as the vendor's capability and performance under other contracts.

2.15 Verification of Bid Proposal Contents

The content of a bid proposal submitted by a vendor is subject to verification. Misleading or inaccurate responses shall result in disqualification.

2.16 Criminal History and Background Investigation

IEDA reserves the right to conduct criminal history and other background investigation of the vendor, its officers, directors, shareholders, or partners and managerial and supervisory personnel retained by the vendor for the performance of the contract.

2.17 Bid Proposal Clarification Process

IEDA reserves the right to contact a vendor after the submission of bid proposals for the purpose of clarifying a bid proposal to ensure mutual understanding. This contact may include written questions, interviews, site visits, a review of past performance if the vendor has provided goods or services to IEDA or any other political subdivision wherever located, or requests for corrective pages in the vendor's bid proposal. IEDA will not consider information received if the information materially alters the content of the bid proposal or alters the type of goods and services the vendor is offering to IEDA. An individual authorized to legally bind the vendor shall sign responses to any request for clarification. Responses shall be submitted to IEDA within the time specified in IEDA's request. Failure to comply with requests for additional information may result in rejection of the bid proposal as non-compliant.

2.18 Disposition of Bid Proposals

All proposals become the property of IEDA and shall not be returned to the vendor unless all bid proposals are rejected or the RFP is cancelled. In either event, vendors will be asked to send prepaid shipping instruments to IEDA for return of the bid proposals submitted. In the event IEDA does not receive shipping instruments, IEDA will destroy the bid proposals. Otherwise, at the conclusion of the selection process, the contents of all bid proposals will be in the public domain and be open to inspection by interested parties subject to exceptions provided in Iowa Code Chapter 22 or other applicable law.

2.19 Public Records and Requests for Confidential Treatment

IEDA may treat all information submitted by a vendor as public information following the conclusion of the selection process unless the vendor properly requests that information be treated as confidential at the time of submitting the bid proposal. IEDA's release of information is governed by Iowa Code Chapter 22. Vendors are encouraged to familiarize themselves with Chapter 22 before submitting a proposal. IEDA will copy public records as required to comply with the public records laws.

Any request for confidential treatment of information must be included in the transmittal letter with the vendor's bid proposal. In addition, the vendor must enumerate the specific grounds in Iowa Code Chapter 22 or other applicable law which support treatment of the material as confidential and explain why disclosure is not in the best interest of the public. The request for confidential treatment of information must also include the name, address, and telephone number of the person authorized by the vendor to respond to any inquiries by IEDA concerning the confidential status of the materials.

Any bid proposal submitted which contains confidential information must be conspicuously marked on the outside as containing confidential information, and each page upon which confidential information appears must be conspicuously marked as containing confidential information. Identification of the entire bid proposal as confidential may be deemed non-responsive and disqualify the vendor.

If the vendor designates any portion of the RFP as confidential, the vendor must submit one copy of the bid proposal from which the confidential information has been excised. This excised copy is in addition to the number of copies requested in Section 4 of this RFP. The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the bid proposal as possible.

IEDA will treat the information marked confidential as confidential information to the extent such information is determined confidential under Iowa Code Chapter 22 or other applicable law by a court of competent jurisdiction.

In the event IEDA receives a request for information marked confidential, written notice shall be given to the vendor seven (7) calendar days prior to the release of the information to allow the vendor to seek injunctive relief pursuant to Section 22.8 of the Iowa Code.

The vendor's failure to request confidential treatment of material will be deemed by IEDA as a waiver of any right to confidentiality, which the vendor may have had.

2.20 Copyrights

By submitting a bid proposal, the vendor agrees that IEDA may copy the bid proposal for purposes of facilitating the evaluation of the bid proposal or to respond to requests for public records. The vendor consents to such copying by submitting a bid proposal and warrants that such copying will not violate the rights of any third party. IEDA shall have the right to use ideas or adaptations of ideas that are presented in the bid proposals.

2.21 Release of Claims

By submitting a bid proposal, the vendor agrees that it will not bring any claim or cause of action against IEDA based on any misunderstanding concerning the information provided herein or concerning IEDA's failure, negligent or otherwise, to provide the vendor with pertinent information as intended by this RFP.

2.22 Presentations

The Evaluation Committee may ask all responsive vendors to make a presentation or the Committee may elect to narrow the field of vendors that make presentations to those that receive the highest initial ranking. The presentation will occur at IEDA's offices. The determination as to need for presentations, the location, order, and schedule of the presentations is at the sole discretion of IEDA. The presentation may include slides, videos, graphics and other media selected by the vendor to illustrate the vendor's bid proposal. The presentation shall not materially change the information contained in the bid proposal. The Evaluation Committee will notify vendors, in advance, of the time allowed and presentation format to be followed.

2.23 Evaluation of Bid Proposals Submitted

Bid proposals that are timely submitted and are not subject to disqualification will be reviewed in accordance with Section 5 of the RFP. IEDA will not necessarily award any contract resulting from this RFP to the vendor offering the lowest cost to IEDA. Instead, IEDA will award the contract to the compliant vendor whose proposal ranks highest in accordance with the evaluation criteria set forth in section 5 of this RFP and subject to approval of the Director of IEDA.

2.24 Award Notice and Acceptance Period

Notice of intent to award the contract will be sent by mail to all vendors submitting a timely bid proposal. Negotiation and execution of the contract(s) shall be completed no later than **July 1, 2015**. If the apparent successful vendor(s) fails to negotiate and deliver an executed contract that date (or, if the procurement timetable has been changed by IEDA, by the new date established for contract execution), IEDA may cancel the award and award the contract(s) to the next highest ranked vendor(s).

2.25 Definition of Contract

The full execution of a written contract shall constitute the making of a contract for services and no vendor(s) shall acquire any legal or equitable rights relative to the contract services until the contract(s) has (have) been fully executed by the successful vendor(s) and IEDA.

2.26 Choice of Law and Forum

This RFP and the resulting contract are to be governed by the laws of the state of Iowa. Changes in applicable laws and rules may affect the award process or the resulting contract. Vendors are responsible for ascertaining pertinent legal requirements and restrictions. Any and all litigation or actions commenced in connection with this RFP shall be brought in the appropriate Iowa forum.

2.27 Restrictions on Gifts and Activities

Iowa Code Chapter 68B restricts gifts which may be given or received by state employees and requires certain individuals to disclose information concerning their activities with state government. Vendors are responsible to determine the applicability of this Chapter to their activities and to comply with the requirements. In addition, pursuant to Iowa Code section 722.1, it is a felony offense to bribe or attempt to bribe a public official.
