Request for Proposal to Provide

Tourism Advertising Agency Services

RFP#: TOUR07242013

Date: July 2, 2013

Mississippi Development Authority  
501 North West Street  
Jackson, MS 39201-1001

**1. INVITATION:** Written proposals subject to the conditions therein stated and attached hereto, will be received at 501 N. West Street, Woolfolk Building, Suite 1500, Jackson, MS 39201 until Wednesday, July 24, 2013 at 2:00 P.M., Central Time for providing the services as described below for the Mississippi Development Authority (MDA).

**2. DESCRIPTION:** The MDA is seeking a professional services contractor to serve as the agency of record for Tourism marketing and advertising. The nature of the services is that customarily performed by an advertising, public relations and marketing company.

**3. EVALUATION PROCEDURE AND FACTORS TO BE CONSIDERED IN THE EVALUATION PROCESS**

**A. General Description of Evaluation Process**

MDA seeks to make award to the Offeror that demonstrates the most advantageous combination of capability, qualifications, experience, and price. The evaluation process and factors set forth herein reflect MDA's determination of the evaluation method, information, and criteria that will best assist MDA in making this selection. Generally, Step I is to determine the responsiveness of the proposal. Steps II and III are numerically scored to evaluate non-Price evaluation factors. Price is not numerically scored. Price will be evaluated after all non-Price evaluations are complete and will be used in making the final determination of the most advantageous Offeror.

- Step I is not scored and does not result in a ranking of Proposers. Rather, Step I is used to determine the responsiveness of the Proposer to the minimum information required for their proposal to continue on to Step II. Written proposals that include the minimum information required in this Solicitation will move on to Step II of the evaluation. Those written proposals that do not include the minimum information required in this Solicitation will be rejected immediately and will receive no further consideration. The minimum information required for Step I is set forth in Section 3.B below.
- Step II is an evaluation of the Proposer's written proposal. Written proposals will be scored using the evaluation criteria set forth in Section 3.C below. Those Proposers whose written proposal receives a score that is among the most highly-rated proposals based on the Step II evaluation factors will be deemed Offerors eligible for inclusion in Step III of the evaluation. The MDA is not required to include all Proposers in Step III, and the MDA reserves the right to determine which proposals are considered the most-highly rated proposals eligible for Step III based on the range of scores and number of written proposals submitted.
- Step III consists of each Offeror's Oral Presentation. Scores for the Oral Presentation will be determined using the evaluation criteria set forth in Section 3. D below.
- Relative to each other, Step II is Important compared to Step III, which is Critical. The total available points under Step II (80 pts.) are significantly less than the total available points

under Step III (120 pts.). Thus, Step III scores account for significantly more points in the evaluation process than the Step II scores. Each Offeror's Total Step II score and Total Step III score will be added together to determine the relative ranking of Offerors on the non-Price evaluation factors.

- Price is evaluated but not scored. The proposed Price of each Offeror along with the total points from Steps II and III will be used to determine which Offeror has presented the most advantageous combination of capability, qualifications, experience (as determined in Steps II and III), and price, and is therefore the Awardee. In making this determination, the combined score from Steps II and III is Critical compared to Price, which is Important. However, Price may become a controlling award factor as set forth in Section 3.E below.
- MDA will make every reasonable effort to ensure consistency of the evaluation panel throughout the evaluation process. However, the MDA reserves the right to make substitutions and/or changes to the evaluation panel as contingencies, availability of personnel, or the needs of the MDA may require. Proposers and Offerors are on notice that the evaluation committee used to evaluate the oral presentations may or may not be comprised of the same committee members that evaluated written proposals.

MDA reserves the right, but is not required, to conduct discussions with responsible Offerors whose proposals are determined to be reasonably susceptible to being selected for award. The discussion shall be for the purpose of clarification to assure full understanding of, and responsiveness to, the solicitation requirements. Revision of proposals may be permitted after submissions and prior to award for the purpose of obtaining best and final offers. All Offerors who are determined to be reasonably susceptible to being selected for award may be contacted for a best and final offer. Based on total points received in Steps II and III, all Offerors who advance to Step III may not be contacted for a best and final offer if they are not reasonably susceptible of being selected. **As discussions and/or requests for best and final offers are not required, Proposers must take care to ensure that their initial written submissions respond fully to the requirements of the solicitation, are competitively priced and provide all information Proposers want to submit for consideration.**

Notwithstanding the determination of the Offerors and/or Awardee as set forth herein, MDA reserves the right prior to execution of any contract to require the Offeror and/or Awardee to provide any and all such information as the MDA deems necessary or proper to determine that the Offeror and/or Awardee is sufficiently responsible and has and can maintain all the necessary facilities, management capability, personnel, technical capability, financial resources, and integrity to ensure successful performance of any resulting contract. MDA may make such investigations deemed necessary and proper. MDA reserves the right to reject any offer if the evidence submitted by, or investigation of the Offeror and/or Awardee fails to satisfy MDA that the Offeror and/or Awardee is responsible and properly qualified to carry out the obligations of the contract.

## B. Step I Minimum Information Required

Each Proposer shall include the following as part of its written proposal:

- (1.) the name of the Offeror, the location of the Offeror's principal place of business and, if different, the place of performance of the proposed contract;

- (2.) the age of the Offeror's business and average number of employees over the past 3 years;
- (3.) the abilities, qualifications, and experience of all persons who would be assigned to provide the required services;
- (4.) a listing of other contracts under which services similar in scope, size, or discipline to the required services were performed or undertaken within the past 3 years;
- (5.) a plan giving as much details as is practical explaining how the services will be performed.

Any proposal that fails to include any of the above information will be rejected immediately and shall receive no further consideration by MDA.

**C. Step II – Evaluation of Written Proposals - Evaluation Factors and Their Relative Importance (Total of 80 points available)**

MDA shall evaluate those written proposals determined in Step I to be eligible for consideration in Step II. Written proposals shall be reviewed and scored in accordance with the following criteria, the relative significance of which is stated, for how well the proposals demonstrate the following in Step II:

1. The overall quality of the proposed plan for performing the required services (CRITICAL 25 pts.).
2. Proposer's ability to provide the required services as reflected/evidenced by qualifications (education, experience, minority participation, etc.) This includes the ability of the Proposer to provide a work product that is legally defensible (CRITICAL 25 pts.).
3. The degree of completeness of response to the specific requirements of the Solicitation (VERY IMPORTANT 15 pts.).
4. The personnel, equipment, and financial resources to perform the services currently available or demonstrated to be made available at the time of contracting (VERY IMPORTANT 15 pts.).

**D. Step III - Oral Presentations - Evaluation Factors and Their Relative Importance (Total of 120 points available)**

The Proposers whose written proposals receive among the most highly rated scores in Step II will be deemed Offerors invited to advance to Step III of the evaluation process. Step III is evaluated based solely on the information, both oral and written, presented in the Step III Oral Presentation process. Each Offeror will receive notice of the date and time at which it shall make an Oral Presentation. Offerors advancing to Step III must make their Oral Presentations at the date and time established by the MDA. Presently, the MDA anticipates that Oral Presentations will take place the week of August 5, 2013, but the MDA reserves the right to set Oral Presentations, including the specific dates and times for each Offeror's presentation, at its discretion. Each Offeror participating in Step III will be allowed up to 50 minutes for their presentation and the presentation will be followed by a 15 minute question and answer period. *Failure of an Offeror to attend its Oral Presentation as scheduled by the MDA shall result in rejection of the Offeror's proposal and continued participation in the procurement.*

Oral Presentations shall be evaluated, along with Offeror's responses to questions posed during and as part of the Oral Presentation process, and scored in accordance with the following criteria, the relative significance of which is stated:

1. Demonstrate how your agency will tell the Mississippi story, grow Mississippi Tourism and generate significant ROI. (Critical 30 points)
2. Show us how your agency is competent to market Mississippi as a travel/vacation destination. (Critical 30 points)
3. Using a prior campaign as an example, describe and show your most successful media campaign and your method to completion. (Critical 30 points)
4. Show us how your agency is cross functional, media buying, account management, writing, design, production (print and electronic), social media, web design, web programming, mobile marketing, content management, all across a fully integrated marketing program. (Critical 30 points)

Any additional examples or insights of your choice may be included in your presentation provided the Offeror does not exceed the time allotted for the presentation.

Each Offeror may receive, in advance of the Oral Presentations, statements of the areas of information and/or demonstration to be presented at Oral Presentations in addition to the above stated criteria. Also, at Oral Presentations, Offerors may be required to answer questions by some or all members of the Evaluation Panel. Questions by members of the Evaluation Panel may be directed at the content of the Offeror's presentation or to other information deemed necessary to evaluate the Offeror in accordance with the four criteria set forth in this Section 3.D. Each Offeror's Oral Presentation and responses to questions from the Evaluation Panel shall be used to score each Offeror in Step III under the above criteria.

Once Step III scores are determined, the MDA will add each Offeror's Step II and Step III score to determine the relative ranking of Offerors on the non-Price factors.

**E. Price**

Price is not numerically scored but will be considered in the award decision. Compared to the combined score for Steps II and Step III, which is Critical, the relative significance of Price is Important. The relative significance of Price to the combined scores for Steps II and III becomes greater the narrower the gap between Offerors' combined scores for Steps II and III. The MDA is not required to make award to the Offeror whose combined score for Steps II and III is the highest.

**F. Award Decision**

The total non-Price scores (the sum of the Step II and Step III scores) for all Offerors will be compared to their respective Price and a determination made as to which Offeror should be the Awardee based upon offering the most advantageous combination of capability, qualifications, experience, and price as evaluated in accordance with the terms of this solicitation.

*Notwithstanding the relative weight of the evaluation factors as stated, price may be the controlling award factor when Offerors' are considered approximately equal in their Step II and Step III combined score for non-Price factors; or an Offeror that scores among the highest in Step II and Step III combined scores is unaffordable; or the advantages of a higher-rated, higher-priced proposal are not considered to be worth the price premium.*

#### **G. Step IV – Contract Negotiations**

The MDA Procurement Officer will contact the Offeror determined to be the Awardee and attempt to negotiate an agreement that is acceptable to both parties.

#### **4. ALL PROPOSALS SUBMITTED IN RESPONSE TO THIS REQUEST SHALL BE IN WRITING.**

#### **5. OFFERORS MAY DESIGNATE THOSE PORTIONS OF THE PROPOSALS WHICH CONTAIN TRADE SECRETS OR OTHER PROPRIETARY DATA WHICH MAY REMAIN CONFIDENTIAL IN ACCORDANCE WITH SECTION 25-61-9 AND 79-23-1 OF THE MISSISSIPPI CODE.**
