SECTION A – INTRODUCTION

The Canadian Tourism Commission (CTC) is Canada’s national tourism marketing organization. A federal Crown corporation, CTC supports the Canadian tourism industry by marketing Canada as a premier four-season tourism destination, and supports the Canadian economy by generating tourism export revenues.

Through collaboration and partnerships with the private sector, the Government of Canada, plus the provinces and territories, the CTC works with the tourism sector to maintain our competitiveness and position Canada as a destination where travelers can create extraordinary personal experiences.

CTC’s approach focuses on those global markets where Canada’s tourism brand leads and yields the highest return on investment. CTC is active in 11 key geographic markets: Brazil, China, India, Japan, Mexico, South Korea, Australia, France, Germany, United Kingdom and United States.

For further information, please visit <http://corporate.canada.travel/>.

A.1 Purpose and Intent

The purpose of this Negotiated Request for Proposal (the “**NRFP**”) is to select one or more proponents for public and media relation services in the United States (US) to support the CTC’s global communications and programs team. See Statement of Work (Section C) for detailed requirements.

It is CTC’s intent to enter into an agreement with the proponent who can best serve the interests of CTC. At the final outcome of the NRFP process, the successful proponent (“Contractor”) may be required to collaborate with CTC’s other service providers and partners to ensure that public relations and communications services are consistent with CTC’s mandate, brand and corporate strategy.

This procurement process is not intended to create and does not create a formal binding bidding process whereby every proponent is deemed to have entered into a “Contract A” with the CTC. Instead, the process is intended to enable CTC to learn what proponents can offer by way of goods or services in response to the CTC’s Statement of Work. Depending on the number and variety of responses, the CTC will subsequently negotiate with those proposals that best serve its needs, as determined by the CTC.

By submitting a proposal, a proponent agrees to this negotiated process and agrees that they will not bring a claim against the CTC with respect to the award of a contract, failure to award a contract or failure to honour a response to this NRFP.

In summary, this NRFP is issued solely for the purpose of obtaining proposals. Neither the issuance of this NRFP nor the submission of a proposal implies any obligation by CTC to enter into any agreement. The intent of this NRFP is to identify those vendors capable of meeting CTC’s requirements and with whom a final agreement may be negotiated.

A.2 Contract Term

CTC anticipates entering into negotiations with the selected proponent(s) for up to a three (3) year period, with an option to extend on an annual basis by CTC for a total period not to exceed another two (2) years, at CTC’s sole discretion. CTC does not grant exclusivity, guarantee business or make any guarantee of the value or volume of work that may be assigned to the Contractor.

SECTION B – NRFP EVALUATION CRITERIA AND INSTRUCTIONS

B.1 Mandatory Criteria Evaluation

To qualify for evaluation, proposals will first be checked against the mandatory criteria set out in Section D. Proponents failing to satisfy the mandatory criteria evaluation will be provided an opportunity to rectify any deficiencies (“Rectification Period”). Proposals satisfying the mandatory criteria during the Rectification Period will be further evaluated as outlined in Section B.2. All proposals failing to satisfy the mandatory criteria after the Rectification Period will be excluded from further consideration and notified as such. The Rectification Period will begin at the closing of the NRFP, and will end within a time period defined by CTC in its sole discretion.

B.2 Desirable Criteria Evaluation

Proposals meeting the mandatory criteria will then be evaluated and scored on the desirable criteria set out below. CTC’s evaluation committee may be comprised of CTC employees and consultants to CTC who are bound by an agreement of confidentiality with respect to the NRFP process. The evaluation committee will be responsible for reviewing and evaluating proposals and making an award recommendation to CTC Senior Executive.

All decisions on the degree to which proposals and/or presentations/demonstrations (if applicable) meet the stated criteria and the scores assigned during the evaluations, are at the sole discretion of CTC.

B.2.1 Desirable Criteria Questionnaire (Section E) 60%

Proposals will be evaluated based on meeting the above desirable criteria. Proposals that achieve a score of 60% or higher (the Threshold”) will be evaluated further based upon, but not limited to Proposed Pricing, Presentations/Demonstrations.

B.2.2 Proposed Pricing (Section F) 20%

Following evaluation of Proposed Pricing, CTC may limit further evaluation to a limited number of the top ranked proposals (the “Shortlist”). Only those proposals on the Shortlist will be further evaluated based upon Presentations/Demonstrations.

B.2.3 Presentations/Demonstrations (Section G) 20%

TOTAL 100%

B.2.4 Negotiations

CTC intends to conduct concurrent negotiations, as defined in Section H.10 Negotiations, with a limited number of the top ranked proponent(s).

B.3 Proposal Submission, Intentions, and Questions Instructions

B.3.1 Submissions

Proponents should submit their entire proposal via e-mail to the Contracting Authority by the closing date and time (“Closing Time”) of **14:00 hours PT, August 10, 2015**.

Any proposal received after the Closing Time may not be reviewed by the CTC. The proponent has sole responsibility for the timely submission of their proposal.

Proposals should be in PDF format and should be submitted as per the instructions in B.3.4 below. All proposals received as a result of this NRFP shall become the property of

the CTC. The time stamp of CTC's email system shall be the official time for receipt of the proposal.

B.3.2 Intentions

Proponents should indicate if they intend to submit a proposal ("Intent to Submit") via e-mail to the Contracting Authority by 14:00 hours PT, July 27, 2015.

B.3.3 Questions

Proponents may submit questions via e-mail to the Contracting Authority until 14:00 hours PT, July 30, 2015. Questions submitted after this date and time may not be responded to.

If the CTC, in its sole discretion, determines that information generated from any question will be of interest to all, a summary of anonymous questions and answers will be made available to all proponents in the form of an amendment. The source of all questions will be kept confidential.

If a proponent believes that disclosure of a question and response would expose a proprietary aspect of its proposal, the proponent may submit the question with an advisory to the CTC explaining why it should not be included with the posted anonymous questions and answers. If CTC concurs with the request, the question will be answered in confidence and will not be posted. If CTC does not concur with the request, the proponent will be asked to restate the question, and if this is not possible, the proponent has the option to withdraw the question.

B.3.4 Instructions

All submissions, intentions, and questions are to be e-mailed to procurement@ctc-cct.ca and should reference "**NRFP CTC-2015-NK-07 Public and Media Relations US - CONFIDENTIAL**" in the e-mail subject line. Include the following with your submission, intentions and questions:

B.5 Contractor Performance Management

The CTC is committed to fostering and supporting strong positive relationships with its Contractors to ensure critical services are maintained and the highest value and corporate wide economic benefits are realized. As such, the Contractor's performance during the term of any agreement may be assessed using key performance measures.

All such costs are taken at the sole risk of the proponent. By participating in this NRFP, the proponent agrees to absolve the CTC of any responsibility for the same.

Proposals may be submitted in either French or English. The working language for the NRFP process and subsequent contract will be English.

H.10 Negotiations

The CTC reserves the right to negotiate contract scope and terms with the top-ranked proponent(s) whose expertise, experience, vision and reputation are judged to best serve the interests of the CTC, hereafter the "Preferred Proponent(s)". Proponents are cautioned not to assume that the lowest priced proposal will result in a contract award.

The CTC will enter into discussions and negotiations with the Preferred Proponent(s) to reach agreement on the final terms of the Agreement. Negotiations may include requests by CTC for supplementary information from the proponent to verify, clarify or supplement the information provided in its proposal or confirm the conclusions reached in the evaluation and may include requests by CTC for improved pricing from the proponent.

Concurrent Negotiations: The Preferred Proponent(s), as established under the evaluation, will be invited to enter into contract negotiations with CTC. CTC intends to conduct negotiations within the Timeframe for Concurrent Negotiations.

At any point in the Timeframe for Concurrent Negotiations, CTC may elect to unilaterally terminate one or more negotiation(s). The intent of the debriefing information session is to aid the proponent in presenting a stronger proposal in subsequent procurement opportunities. Any debriefing provided is not for the purpose of providing an opportunity to challenge the procurement process.

H.13 Material Circumstances

A material circumstance means any circumstance or relationship which may lead to an unfair advantage including but not limited to: being associated to or related to a CTC employee or Board member of CTC; having access to information not available to other proponents; communicating with any unauthorized person with respect to the NRFP process; engaging in any action which constrains or limits the ability of another proponent to submit a proposal for the goods or services herein; providing a gift or benefit to a CTC employee or Board member; or engaging in conduct that compromises or could be seen to compromise the integrity of the NRFP process (each a "Material Circumstance").

CTC may consider any Material Circumstance (as defined above) as disclosed in a proposal or otherwise, and CTC may eliminate a proposal from consideration on the ground that a Material Circumstance gives rise to a conflict of interest that CTC considers in its opinion would give rise to unfair advantage in the NRFP process, or would otherwise prejudice the integrity of the NRFP process.

Except as required by law, CTC will not disclose or publish the identity of proponents, nor reveal in any way the substantive information and financial terms contained in any proposal. Only the name of the Contractor will be revealed at the conclusion of the process and only after an agreement has been fully executed by the contracting parties.
