K. CONFLICT OF INTEREST

All Offerors responding to this RFP must avoid organizational conflicts of interest which would restrict full and open competition in this procurement. An organizational conflict of interest means that due to other activities, relationships or contracts, an Offeror is unable, or potentially unable to render impartial assistance or advice to the Authority; an Offeror's objectivity in performing the work identified in the Scope of Work is or might be otherwise impaired; or an Offeror has an unfair competitive advantage. Conflict of Interest issues must be fully disclosed in the Offeror's proposal.

All Offerors must disclose in their proposal and immediately throughout the course of the evaluation process if they have hired or retained an advocate to lobby Authority staff or the Board of Directors on their behalf.

Offerors hired to perform services for the Authority are prohibited from concurrently acting as an advocate for another firm who is competing for a contract with the Authority, either as a prime or subcontractor.

L. CODE OF CONDUCT

All Offerors agree to comply with the Authority's Code of Conduct as it relates to Third-Party contracts which is hereby referenced and by this reference is

Unless otherwise permitted by law, any person or firm that is debarred, suspended, or voluntarily excluded, as defined in the Federal Transit Administration (FTA) Circular 2015.1, dated April 28, 1989, may not take part in any federally funded transaction, either as a participant or a principal, during the period of debarment, suspension, or voluntary exclusion. Accordingly, the Authority, acting on behalf of the district, may not enter into any transaction with such debarred, suspended, or voluntarily excluded persons or firms during such period.

A process has been established by 2 CFR Part 180, as adopted and supplemented by 2 CFR Part 1200 as a means to ensure that debarred, suspended, or voluntarily excluded persons or firms do not participate in Federally assisted projects. A person or firm that is unable to provide a positive certification as required by the solicitation must submit a complete explanation attached to the certification. FTA will consider the certification and any accompanying explanation in determining whether or not to provide assistance for the project. Failure to furnish a certification or an explanation may disqualify that person or firm from participating in the project.

N. DISADVANTAGED BUSINESS ENTERPRISE

The Authority has not established a specific goal for DBE participation in this procurement for the services required in this solicitation. All Offerors are encouraged to take all reasonable steps to obtain DBE participation in conformance with Title 49 CFR Part 26, "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs."

This Proposal Exceptions and/or Deviations form must be included in the original proposal submitted by the Offeror. If no technical or contractual exceptions and/or deviations are submitted as part of the original proposal, Offerors are deemed to have accepted the Authority's technical requirements and contractual terms and conditions set forth in the Scope of Work (Exhibit A) and Proposed Agreement (Exhibit C). Offerors will not be allowed to submit the Proposal Exceptions and/or Deviations form or any technical and/or contractual exceptions after the proposal submittal date identified in the RFP. e. Public Records Act Indemnification

Proposers must complete and sign the Exhibit I, Public Records Act Indemnification – Proposal Documents, and submit it with the proposal. Failure to complete Exhibit I may cause the proposal to be deemed non-responsive to this RFP and may no longer continue in the evaluation process.

If a California Public Records Act request is received by Authority for the release of information identified by Proposer as propriety, trade secret, or confidential, the request will be referred to Proposer for review and consideration. If Proposer requests that the information be withheld from release, Proposer shall provide such request in writing with the legal basis under the Act for each requested withholding. Failure to notify the Authority in writing of its desire to withhold the records within three business days and/or to timely provide a legal basis for the withholding of documents, regardless of any marking or designation of such documents, shall constitute a waiver of any claims Proposer may have had related to such disclosure.

Authority will review the request, determine if the disclosure of the records is required by law, and notify Proposer of such determination. If Authority determines that the disclosure of records is required by law, Authority will notify Proposer of such determination and provide Proposer the opportunity to seek a protective order or other appropriate legal relief to protect the records.

Proposer shall defend and hold harmless Authority from any legal action arising from such withholding, as further detailed in Exhibit I, Public Records Act Indemnification – Proposal Documents.

It is anticipated that the Authority will issue a time and expense-price contract specifying fully-burdened labor rates and anticipated expenses to complete the Scope of Work.

5. Appendices

The committee members will evaluate the written proposals using criteria identified in Section III A. A list of top ranked proposals, firms within a competitive range, will be developed based upon the totals of each committee members' score for each proposal.

During the evaluation period, the Authority may interview some or all of the proposing firms. The Authority has established May 25, 2021, as the date to conduct interviews. Offerors who were not awarded the contract may obtain a debriefing concerning the strengths and weaknesses of their proposal. Unsuccessful Offerors, who wish to be debriefed, must request the debriefing in writing or electronic mail and the Authority must receive it within three (3) business days of notification of the contract award.

EXHIBIT A: SCOPE OF WORK

**SCOPE OF WORK
RIDESHARE OUTREACH PROGRAM SERVICES**

INTRODUCTION

This Scope of Work describes Consultant's essential roles, responsibilities, functions, activities, and deliverables required for the successful ongoing outreach program for the Orange County Transportation Authority's (OCTA) Rideshare program.

OCTA was formed in June 1991 to address ongoing transportation needs in Orange County and create one agency to develop and implement transportation programs designed to reduce traffic congestion and improve air quality.

The goal of OCTA's Rideshare program is to provide Orange County commuters and employers with a variety of alternatives to driving alone and programs from which they can choose to meet their unique and constantly evolving needs. Consultant shall conduct outreach via calls, emails and in-person events (if safety protocols allow) for OCTA's Rideshare program with the goals of increasing participation in employer programs, commuter rideshare modes and annual rideshare campaigns. Consultant will act as an important extension of staff that is available to promote programs based on needs of the organization at the time as well.

Rideshare commuter options include carpooling, vanpooling, using bus and rail transit, bicycling, walking, and teleworking. Important OC Rideshare campaigns include three annual promotions - May's Bike Month, June's Dump the Pump and October's Rideshare Week.

OCTA is seeking a firm that will assist in developing an innovative approach to effectively reach and compel target audiences to take action in various ways that further rideshare program goals.

BACKGROUND

To further its mission, OCTA implements transportation control measures (TCM) to help achieve regional transportation plan emission reduction targets. Rideshare is an important component of this plan. The rideshare program provides a variety of support services for both employers and commuters with the goal of reducing drive alone trips where only a single passenger is riding in a personal vehicle. Rideshare programs also help employers in Orange County meet the requirements of the South Coast Air Quality Management District (SCAQMD) Rule 2202, which regulates employers in the county with 250 or more employees.

Employers regulated by this mandate must register with SCAQMD annually and have a plan in place to satisfy various requirements. Employers have one option that primarily requires paying a fee, but many implement a rideshare program to reduce employee trips to the worksite as an alternative. Employers who elect to have a rideshare program at

their worksite must conduct an annual Average Vehicle Ridership (AVR) survey to achieve compliance; ridesharing activities are a very important aspect of this survey. The more ridesharing activity that occurs by company employees, the more likely their plan is to be approved and fees may potentially be decreased. OCTA provides complimentary survey assistance for these employers through a separate contract. The purpose of this Rule is to provide employers with a menu of options to reduce mobile source emissions generated from employee commutes, to comply with federal and state Clean Air Act requirements, Health & Safety Code Section 40458, and Section 182(d)(1)(B) of the federal Clean Air Act.

Rideshare programs and services offered by OCTA include:

- **Perk Pass Program** which provides discounted bus passes to employees at participating employers (ten bus riders is the minimum needed to participate)
- **Average Vehicle Ridership (AVR) survey calculation** and data analysis (provided by an OCTA consultant at no cost to employers through a separate contract)
- **Metrolink's Corporate Pass Program (CPP)** which provides discounted Metrolink train passes to employees at participating employers (program administered by Metrolink but promoted by OCTA)
- **Guaranteed Ride Home (GRH) program** which allows employees that rideshare the opportunity to have the cost of any emergency trip home reimbursed to act as a safety net for unpredictable circumstances arising
- **Employer outreach** by OCTA and consultant staff to aid in maximizing Orange County Rideshare program participation
- **Employer rideshare fairs/outreach events** attended by OCTA and consultant staff
- **Employee Transportation Coordinators (ETC) marketing training** and network meetings
- **Ride matching and transit trip planning services** at www.go511.com or www.ridematch.info
- **Vanpool formation services** through OCTA and contractor staff

Rideshare modes of transportation supported by OCTA include:

- **OC Bus** – utilizing OCTA's bus service to travel throughout the County
- **Metrolink Rail** – commuting on Metrolink's rail system which is promoted by OCTA
- **Vanpool** – groups of five or more individuals who carpool to work in a leased vehicle (commuter has choice of one of three OCTA contractors) partially subsidized by OCTA
- **Carpool** – individuals who make the choice to travel with two or more occupants in their vehicle
- **Teleworking** – resources are provided to individuals who work from home instead of commuting to a centralized workplace or office

- **Walking** – pedestrian and active transportation programs are supported by OCTA
- **Biking** – biking is promoted and supported through various planning and marketing projects

OCTA's major annual rideshare campaigns include:

- **National Bike Month** - an annual campaign every May that focuses on biking as a viable alternative commuting option. This includes an ever-expanding diversity of events in communities nationwide (health regulations permitting), with the biggest feature of the month being Bike To Work Week. California's Bike to Work Week is typically the third week in May with a Bike to Work Day being promoted on the Thursday of that week in conjunction with the Bike Rally at OCTA.
- **Dump the Pump** - OCTA joins the American Public Transportation Association (APTA) in celebrating the Annual National Dump the Pump Day in June. The campaign is dedicated to raising awareness that public transportation helps improve the environment and conserve fuel. OCTA has offered free rides on OC Bus to generate interest and participation in the past. Public transportation agencies nationwide ask the public to park their cars and ride public transportation, carpool, vanpool, walk, ride a bike or telework instead of spending large amounts of money on fuel.
- **Rideshare Week** - a nationally recognized event which takes place the first week of October to promote alternative commute modes to driving alone. Commuters throughout the region pledge to replace their solo drives with new, more sustainable commute choices such as carpool, vanpool, transit, bike, walk, telework, or compressed workweek. OCTA typically offers prize drawings for those who pledge to ride and pledges are the metric for success.

Other OCTA services that may be promoted on an as-needed basis includes, but is not limited to:

- **Bus Service Changes** – OCTA bus service is subject to change and outreach may be requested to promote the changes
- **Earth Day** – OCTA may need assistance promoting the annual event which takes place in April
- **Clean Air Day** – a campaign that may be promoted to coincide with California Clean Air Day in October, if resources allow

SCOPE OF SERVICES

▪ Planning

Analyze the employer market, existing sales plan, and other factors to create a monthly plan which will be used to direct outreach and sales efforts in conjunction with OCTA Project Manager. The plan shall include ongoing strategies for promoting employer programs and alternate commute modes in addition to targeted outreach around three annual Rideshare campaigns. While a general plan will be in place to guide the efforts of Consultant, work is subject to change due to evolving OCTA

priorities and input from Consultant. All work will be billed monthly in a time and expense format.

- Outreach
Conduct ongoing outreach effort throughout the year in the form of calls, meetings, personalized emails, customized presentations with employers and in-person events (if safety protocols allow) for OCTA's Rideshare program with the goals of increasing participation in employer programs, commuter rideshare modes and annual rideshare campaigns. Effectively communicating in a concise, logical manner through all mediums will be vital to achieving optimal success. Consultant will be responsible for forming connections with relevant employers in their efforts to disseminate information as efficiently and effectively as possible.

- Sales
Maintain consistent contact with open leads and nurture them through the sales process to completion in an effective manner. While outreach will disseminate information, closing tactics will be necessary to enroll employers in appropriate programs. This may require customized presentations and follow-up that brings the lead to close. Due to the lengthy nature of the sales cycle for many OCTA programs, strategic follow-up, record keeping and nurturing will be important to success.

Account Coordinator

The Account Coordinator designated by Consultant will serve as the primary point of contact. This contact will be responsible for leading and managing the project and shall communicate and coordinate in a timely manner all work and progress on the outreach program to the OCTA Project Manager.

The Account Coordinator must possess relevant experience, knowledge, and skills including experience communicating information to the general public in a manner that is clear, relevant, and memorable. Experience in proven effective communications and community outreach, including the ability to leverage multimedia platforms and technology to engage a wide range of stakeholders will also be important.

Project Manager

Consultant's Project Manager may be removed and replaced only with the written consent of the OCTA Project Manager for public outreach. Due to the importance of consistent project management for continuity, institutional knowledge, and to facilitate timely completion of the Project materials, OCTA will consider the unauthorized removal of the Consultant's Project Manager as grounds for termination of the contract. OCTA reserves the right to require Consultant to remove and replace Consultant's Project Manager or any member of the Consultant/sub-consultant team from the Project for cause.

Monthly Progress Reports

The monthly progress report provides an account of completed outreach activities performed the prior month and forecasted work. The monthly report will itemize work tasks. Important milestones should be included.

DISADVANTAGED BUSINESS ENTERPRISE (DBE) CONTRACT PROVISIONS FOR U.S. DOT-ASSISTED CONTRACTS

I. DBE Participation

It is the CONSULTANT'S responsibility to be fully informed regarding the requirements of 49 CFR, Part 26 and AUTHORITY's DBE program developed pursuant to these regulations.

If CONSULTANT has committed to utilize a DBE in the performance of this U.S. DOT-assisted contract, CONSULTANT'S submitted "DBE Participation Commitment Form," in combination with the executed subcontract and/or purchase order will be utilized to monitor CONSULTANT'S DBE commitment. Unless otherwise directed and/or approved by AUTHORITY prior, CONSULTANT must not effectuate any changes to its DBE participation commitment.

CONSULTANT must complete and submit all required DBE documentation to effectively capture DBE utilization on AUTHORITY's U.S. DOT-assisted contracts whether achieved race neutrally or race consciously. No changes to CONSULTANT'S DBE commitment shall be made until proper review and approval by AUTHORITY is rendered in writing.

To ensure full compliance with the requirements of 49 CFR, Part 26 and AUTHORITY's DBE Program, CONSULTANT must:

- A. Take appropriate actions to ensure that it will satisfy good faith efforts to meet the DBE agreement goal and continue to meet the DBE commitment made at award, when change orders or other modifications alter the dollar amount of the Agreement or the distribution of work. CONSULTANT must apply and report its DBE goal commitment against the total Agreement value, including any change orders and/or amendments.

II. DBE Policy and Applicability

In accordance with federal financial assistance agreements with the U.S. Department of Transportation ("U.S. DOT"), AUTHORITY has adopted a Disadvantaged Business Enterprise ("DBE") Policy and Program in conformance with Title 49 CFR, Part 26, "Participation by Disadvantaged Business Enterprises in Department of Transportation Financial Assistance Programs".

The project is subject to these stipulated regulations and AUTHORITY's DBE Program. To ensure that AUTHORITY achieves its overall DBE Program goals and objectives, AUTHORITY encourages the participation of DBEs as defined in 49 CFR, Part 26, in the performance of agreements financed in whole or in part with U.S. DOT funds. Pursuant to the intent of these Regulations, it is also the policy of AUTHORITY to:

Fulfill the spirit and intent of the DBE Program regulations published under U.S. DOT Title 49 CFR, Part 26, by ensuring that DBEs have an equitable opportunity to compete for and participate in AUTHORITY's U.S. DOT-assisted contracts and subcontracts. AUTHORITY is firmly committed to the DBE Program objectives, which are designed to:

- A. Ensure non-discrimination in the award and administration of AUTHORITY's U.S. DOT-assisted contracts;
- B. Create a level playing field by which DBE's can fairly compete for AUTHORITY's U.S. DOT-assisted contracts;
- C. Ensure that AUTHORITY's DBE Program and Overall Goals are narrowly tailored in accordance with applicable law;
- D. Ensure that only firms that fully meet 49 CFR, Part 26 eligibility standards are permitted to participate as DBE's in the AUTHORITY's DBE Program;
- E. Help remove barriers which impede the participation of DBE's in AUTHORITY's U.S. DOT-assisted contracts;
- F. Promote the use of DBE's in all types of U.S. DOT-assisted contracts and procurement activities conducted by AUTHORITY;
- G. Provide training and other assistance through our resource partners to address capital, bonding, and insurance needs;
- H. Assist in the development of DBE firms that can compete successfully in the marketplace outside of the DBE Program; and
- I. Establish and provide opportunities for DBEs by providing flexibility in the implementation of AUTHORITY's DBE Program.

CONSULTANT must not discriminate on the basis of race, color, national origin, or sex in the award and performance of subconsultant. Any terms used in this section that are defined in 49 CFR, Part 26, or elsewhere in the Regulations, must have the meaning set forth in the Regulations. In the event of any conflicts or inconsistencies between the Regulations and AUTHORITY's DBE Program with respect to U.S. DOT-assisted contracts, the Regulations must prevail.

III. AUTHORITY's DBE Policy Implementation Directives

Pursuant to the provisions associated with Title 49 CFR, Part 26, the Disadvantaged Business

Enterprise (“DBE”) Program exists to ensure participation, equitable competition, and assistance to participants in the U.S. DOT DBE program. Accordingly, based on the AUTHORITY’s analysis of its past utilization data, coupled with Overall Goal Methodology findings and examination of similar Agencies’ disparity studies, AUTHORITY’s DBE Program is implemented utilizing both race-conscious and race-neutral means. When a contract-specific DBE goal is assigned to a project, meeting the contract-specific goal by committing to utilize DBEs, or documenting a bona fide good faith effort to do so, is a condition of award.

CONSULTANT must sign the prompt payment assurance statement of compliance contained within the Monthly Form 103, providing assurance that timely payments have been issued to all subconsultants in accordance with regulatory mandates and as required by 49 CFR Part 26.29.

4. CONSULTANT Payment Verification Summary

CONSULTANT is to further maintain and submit a Verification of Payment Summary inclusive of a detailed running tally of related invoices submitted by DBE(s) and non-DBE(s), including dates of invoice submission, dates accepted and corresponding dates and amount of payment made. The Verification of Payment Summary must also include:

DBE(s) and non DBE(s) invoice number, invoice amount, invoice date, CONSULTANT'S invoice number that incorporated the corresponding DBE and non-DBE invoice(s) for billing purposes, date of invoice submission to AUTHORITY, date and amount AUTHORITY paid on CONSULTANT'S Invoice. The report must reflect a breakout of retention withheld (including retention as specified in subcontract agreement(s) and disputed invoice retention) and retention payments made, check number and date paid to DBEs and non-DBEs.

CONSULTANT to submit a Verification of Payment Summary with the Monthly Form 103 submission for each DBE firm in which CONSULTANT has reflected a value paid within the reporting period. Verification of Payment Summary must be signed by the applicable DBE and submitted with Form 103 to authenticate reported payments.

B. "Monthly DBE Trucking Verification" Form

Prior to the 10th of each month, CONSULTANT must submit documentation on the "Monthly DBE Trucking Verification," Form to AUTHORITY showing the amount paid to DBE trucking companies. CONSULTANT must also obtain and submit documentation to AUTHORITY showing the amount paid by DBE trucking companies to all firms, including owner-operators, for the leasing of trucks. If the DBE leases trucks from a non-DBE, CONSULTANT may count only the fee or commission the DBE receives as a result of the lease arrangement.

CONSULTANT must also obtain and submit documentation to AUTHORITY showing the truck number, owner's name, California Highway Patrol CA number, and if applicable, the DBE certification number of the owner of the truck for all trucks used during that month.

C. DBE Subcontract Agreements

CONSULTANT must submit to AUTHORITY copies of executed subcontracts and/or purchase orders (PO) for all DBE firms participating on the contract within ten (10) working days of award. CONSULTANT must immediately notify AUTHORITY in writing, of any problems it may have in obtaining the subcontract agreements from listed DBE firms within the specified time.

D. Semi-Annual Subconsultant Paid Report Summary

AUTHORITY will require CONSULTANT (inclusive of DBE primes) to report payment data to lower-tiers on a semi-annual basis each year, using the "Semi-Annual Subconsultant Paid Report Summary." These reports will capture payments to CONSULTANT and payments to non-DBEs within the respective reporting period. Reported payments to lower-tiers must include a signed payment verification form.

CONSULTANT will adhere to the following submittal schedule:

- April 10th Report, reporting period: October 1st through March 31st
- October 10th Report, reporting period: April 1st through September 30th

E. Final Report-Utilization of Disadvantaged Business Enterprises (DBE)

Upon completion of the project, CONSULTANT must complete and submit a "Final Report-Utilization of Disadvantaged Business Enterprises (DBE), Subconsultants," certified correct by CONSULTANT or the CONSULTANT'S authorized representative, to facilitate reporting and capturing DBE attainments at conclusion of the project. The form must be furnished to AUTHORITY within thirty (30) days from the date of the project. The amount of ten-thousand dollars (\$10,000) will be withheld from payment until a satisfactory form is submitted.

F. Disadvantaged Business Enterprises (DBE) Certification Status Change

If a DBE subconsultant is decertified during the life of the project, the decertified subconsultant must notify the CONSULTANT in writing with the date of decertification. If a subconsultant becomes a certified DBE during the life of the project, the subconsultant must notify CONSULTANT in writing with the date of certification (Attach DBE certification/decertification letter). CONSULTANT must furnish the written documentation to AUTHORITY within ten (10) days of receipt. Upon completion of the project, the "Disadvantaged Business Enterprises (DBE) Certification Status Change" must be signed and certified correct by the CONSULTANT indicating the DBEs' existing certification status. If there are no changes, indicate "No Changes." The signed and certified form must be furnished to AUTHORITY within thirty (30) days from the date of project acceptance.

Failure to submit any of the required submittals above and their support documentation within the specified timeline shall result in a penalty of ten dollars (\$10) per day, per submittal document.

AUTHORITY requires CONSULTANT to maintain records and documents of payments to lower-tiers, including DBEs, for a period of four (4) years from the date of final payment by AUTHORITY, unless otherwise provided by applicable record retention requirements for CONSULTANT'S agreement, whichever is longer. These records will be made available for inspection upon request by any authorized representative of AUTHORITY. This reporting requirement extends to all lower-tiers, both DBE and non-DBE.

AUTHORITY reserves the right, at its sole discretion, to demonstrate responsiveness to requirements of CFR 49 Part 26.37 by implementing the following method(s):

- a) Posting CONSULTANT payment data to a website, database, or other place accessible to subconsultants to assist them in determining when they should expect to receive payment.

- b) Requiring CONSULTANT to use an automated reporting system, inclusive of, but not limited to, real time entry of payments made and received by CONSULTANT and their lower-tiers.

V. DBE Eligibility and Commercially Useful Function Standards

A DBE must be certified at the time of bid/proposal submission:

1. A DBE must be a small business firm defined pursuant to 13 CFR Part 121 and be certified through the California Unified Certification Program (“CUCP”) at the time of bid submission. A listing of DBEs certified by the CUCP is available at the following source:

The CUCP web site, which can be accessed at <http://www.dot.ca.gov/hq/bep>.

2. A DBE may participate as a prime CONSULTANT, subconsultant, joint venture partner, vendor of material or supplies, or as a trucking company.
3. A DBE joint venture partner must be responsible for specific contract items of work, or clearly defined portions thereof. Responsibility means actually performing, managing, and supervising the work with its own work forces. The DBE joint venture partner must share in the capital contribution, control, management, risks, and profits of the joint venture commensurate with its ownership interest.
4. The use of joint-checks for DBE firms must be approved by AUTHORITY prior to execution, and a joint-check agreement must accompany the request to AUTHORITY.
5. A DBE must perform a commercially useful function in accordance with 49 CFR Part 26.55 (i.e. must be responsible for the execution of a distinct element of the work, and must carry out its responsibility by actually performing, managing, and supervising the work). A DBE should perform at least thirty percent (30%) of the total cost of its contract with its own workforce to presume it is performing a commercially useful function.

VI. DBE Crediting Provisions

- A. When a DBE is proposed to participate in the Agreement, at any tier, only the value of the work proposed to be performed by the DBE with its own work force may be counted towards DBE participation. If CONSULTANT is a DBE joint venture participant, only the DBE proportionate interest in the joint venture must be counted.
 1. If a DBE intends to subcontract part of the work of its subcontract to a lower-tier subconsultant, the value of the subcontracted work may be counted toward DBE participation only if the subconsultant is a certified DBE and performs the work with their own forces. Services subcontracted to a non-DBE firm may not be credited toward the CONSULTANT'S DBE attainment.

2. CONSULTANT is to calculate and credit participation by eligible DBE vendors of equipment, materials, and supplies toward DBE attainment as follows:
 - a) Sixty percent (60%) of expenditures for equipment, materials, and supplies required under the Agreement obtained from a regular dealer; or
 - b) One hundred percent (100%) of expenditures for equipment, materials, and supplies required under the Agreement obtained from a DBE manufacturer.

3. The following types of fees or commissions paid to DBE Subconsultants, Brokers, and Packagers may be credited toward CONSULTANT'S DBE attainment, provided that the fee or commission is reasonable and not excessive, as compared with fees or commissions customarily allowed for similar work including:
 - a) Fees and commissions charged for providing bona fide professional or technical services, or procurement of essential personnel, facilities, equipment, materials, or supplies required in the performance of the Agreement;
 - b) Fees charged for delivery of material and supplies (excluding the cost of materials or supplies themselves), when the licensed hauler, trucker, or delivery service is not also the manufacturer of, or a regular dealer in, the material and supplies;
 - c) Fees and commissions charged for providing any insurance specifically required in the performance of the Agreement.

4. CONSULTANT may count the participation of DBE trucking companies toward DBE attainment, as follows:
 - a) The DBE must be responsible for the management and supervision of the entire trucking operation for which it is responsible on a particular contract.
 - b) The DBE must itself own and operate at least one fully licensed, insured, and operational truck used on the contract.
 - c) The DBE receives credit for the total value of the transportation services it provides on the contract using trucks it owns, insures, and operates using drivers it employs.
 - d) The DBE may lease trucks from another DBE firm, including an owner-operator who is certified as a DBE. The DBE who leases trucks from another DBE receives credit for the total value of the transportation services the lessee DBE provides on the contract.
 - e) The DBE may also lease trucks from a non-DBE firm, including an owner-operator. The DBE who leases trucks equipped with drivers from a non-

DBE is entitled to credit for the total value of transportation services provided by non-DBE leased trucks equipped with drivers not to exceed the value of transportation services on the contract provided by the DBE-owned trucks or leased trucks with DBE drivers. Additional participation by non-DBE owned trucks equipped with drivers receives credit only for the fee or commission it receives as a result of the lease arrangement.

- f) The DBE may lease trucks without drivers from a non-DBE truck leasing company and if the DBE uses its own employees as drivers, it is entitled to credit for the total value of these hauling services.

For purposes of this paragraph, a lease must indicate that the DBE has exclusive use of and control over the truck. This does not preclude the leased truck from working for others during the term of the lease with the consent of the DBE, so long as the lease gives the DBE absolute priority for use of the leased truck. Leased trucks must display the name and identification number of the DBE.

5. If the CONSULTANT listed a non-certified, 1st tier Subconsultant to perform work on this Agreement, and the non-certified Subconsultant subcontracts a part of its work or purchases materials and/or supplies from a lower tier DBE certified Subconsultant or Vendor, the value of work performed by the lower tier DBE firm's own forces can be counted toward DBE participation on the Agreement. If a DBE CONSULTANT performs the installation of purchased materials and supplies, they are eligible for full credit of the cost of the materials.
6. CONSULTANT is advised not to report the participation of DBE(s) toward the CONSULTANT'S DBE attainment until the amount being claimed has been paid to the DBE.

VII. DBE Substitution, Termination and On-Going Good Faith Efforts

AUTHORITY requires that CONSULTANT not terminate a DBE without AUTHORITY's prior written consent. This includes, but is not limited to, instances in which CONSULTANT seeks to perform work originally designated for a DBE with its own work force or those of an affiliate, a non-DBE firm, or with another DBE firm.

AUTHORITY will provide such written consent only if it agrees, for reasons stated in the concurrence document, that CONSULTANT has good cause to terminate the DBE firm. For purposes of this section, good cause includes the following circumstances:

- A. The listed DBE subconsultant fails or refuses to execute a written contract;
- B. The listed DBE subconsultant fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided, however, that good cause does not exist if the failure or refusal of the DBE subconsultant to perform its work on

- the subcontract results from the bad faith or discriminatory action of CONSULTANT;
- C. The listed DBE subconsultant fails or refuses to meet CONSULTANT'S reasonable, nondiscriminatory bond requirements;
 - D. The listed DBE subconsultant becomes bankrupt, insolvent, or exhibits credit unworthiness;
 - E. The listed DBE subconsultant is ineligible to work on public works projects because of suspension and debarment proceedings pursuant 2 CFR Parts 108, 215 and 1,200 or applicable state law;
 - F. CONSULTANT has determined that the listed DBE subconsultant is not a responsible CONSULTANT;
 - G. The listed DBE subconsultant voluntarily withdraws from the project and provides to you written notice of its withdrawal;
 - H. The listed DBE is ineligible to receive DBE credit for the type of work required;
 - I. A DBE owner dies or becomes disabled with the result that the listed DBE CONSULTANT is unable to complete its work on the contract;
 - J. Other documented good cause that you determine compels the termination of the DBE. Provided, that good cause does not exist if CONSULTANT seeks to terminate a DBE it relied upon to obtain the Agreement so that CONSULTANT can self-perform the work for which the DBE CONSULTANT was engaged or so that CONSULTANT can substitute another DBE or non-DBE CONSULTANT after Agreement award.

Before transmitting to AUTHORITY its request to terminate and/or substitute a DBE subconsultant, CONSULTANT must give notice in writing to the DBE, with a copy to AUTHORITY, of its intent to request to terminate and/or substitute, and the reason for the request.

CONSULTANT must give the DBE five (5) days to respond to CONSULTANT'S notice and advise AUTHORITY and CONSULTANT of the reasons, if any, why it objects to the proposed termination of its subcontract or purchase order and why AUTHORITY should not approve CONSULTANT'S action. If required in a particular case as a matter of public necessity (e.g. safety), CONSULTANT may provide a response period shorter than five (5) days.

In the event of an approved DBE substitution, termination, or failure of a DBE to complete its work on the contract for any reason, the DBE must be substituted with another DBE or adequate good faith efforts must be documented by CONSULTANT within five (5) days, to the extent needed to meet the contract-specific DBE goal. Note: The five (5) day period may be extended for an additional five (5) days if necessary, at the request of the CONSULTANT.

The substitute DBE must be certified as a DBE at the time of request for substitution. CONSULTANT shall not be entitled to any payment for work or materials unless it is performed or supplied by the listed DBE, unless the DBE is terminated in accordance with this section and is approved by AUTHORITY.

Should CONSULTANT elect to submit a good faith effort documentation in lieu of proposing additional DBE participation, AUTHORITY will review the documentation and provide a written determination to CONSULTANT stating whether or not good faith efforts have been adequately demonstrated.

The substitute DBE cannot work on the Agreement until its work eligibility has been confirmed and required subcontracts, supplies, trucking commitments, or other services have been approved by AUTHORITY.

VIII. Additional DBE Subconsultants

In the event CONSULTANT identifies additional DBE Subconsultants or suppliers not previously identified by CONSULTANT for DBE participation under the Agreement, CONSULTANT must notify AUTHORITY by submitting "Request for Additional DBE Firm," to enable AUTHORITY to verify the firm's eligibility, capacity, CUF and ensure there is not a scope conflict with another listed firm. Proposed firms cannot be applied towards CONSULTANT'S DBE participation until approved by AUTHORITY.

CONSULTANT must also submit, for each DBE identified after contract execution, a written confirmation from the DBE acknowledging that it is participating in the contract for a specific value, including the corresponding scope of work (a subcontract agreement can serve in lieu of the written confirmation).

IX. DBE "Frauds" and "Fronts"

Only legitimate DBEs are eligible to participate as DBEs in the AUTHORITY'S U.S. DOT-assisted contracts. CONSULTANT is cautioned against knowingly and willfully using "fronts." The use of "fronts" and "pass through" subcontracts to non-disadvantaged firms constitute criminal violations. Further, any indication of fraud, waste, abuse, or mismanagement of Federal funds should be immediately reported to the Office of Inspector General, U.S. Department of Transportation at the toll-free hotline: (800) 424-9071; or to the following: 245 Murray Drive, Building 410, Washington, DC 20223; Telephone: (202) 406-570.

X. Dispute Resolution

All contracts in excess of five-hundred thousand dollars (\$500,000) shall contain provisions or conditions which will allow for dispute resolution remedies in instances where CONSULTANTs violate or breach DBE Program requirements, inclusive but not limited to, prompt payment and

provide for such sanctions and penalties as may be appropriate.

CONSULTANT shall incorporate this Section into each subcontract related to work arising under this Agreement and shall not incorporate by reference.

CONSULTANT and subconsultant agree to notify AUTHORITY within five (5) business days of any prompt payment and/or DBE Program disputes which cannot be settled by discussions between the parties involved.

CONSULTANT and subconsultant further agree to proceed through informal meetings, mediation, or any combination thereof as further detailed below. Dispute submittals shall include the method(s) of dispute resolution selected, terms, timeframes, and a detailed summary of assistance being requested (as applicable).

I. **INFORMAL MEETINGS:**

AUTHORITY is available to assist CONSULTANT with coordination of informal meeting requests to assist in the resolution of disputes between CONSULTANT and subconsultant. AUTHORITY's DBELO or a designated DBE support representative will conduct the informal meetings with parties in dispute. Representatives from CONSULTANT and subconsultant for the purpose of dispute resolution, must include individuals authorized to bind each interested party. All parties must agree to the procedure.

II. **Mediation**

The parties to a contract may agree to endeavor to settle a dispute through informal mediation under independent third-party organizations. AUTHORITY's DBELO and her designated support staff is considered an independent third party. Submission to informal mediation is voluntary; it is not binding and offers advisory opinions.

Performance During Dispute: Unless otherwise directed by AUTHORITY, CONSULTANT and its sub tiers shall continue performance under the Agreement while matters in dispute are being resolved.

Flow Down Requirements: The dispute resolution provisions flow down to all tiers.

These provisions shall not apply to disputes between CONSULTANT and AUTHORITY. These provisions do not alter in any way or waive compliance with other provisions in the Agreement.

XI. Administrative Remedies and Enforcement

CONSULTANT must fully comply with the DBE contract requirements, including the Authority's DBE Program and Title 49 CFR, Part 26 "Participation of Disadvantaged Businesses in

Department of Transportation Financial Assistance Programs,” and ensure that all subconsultants, regardless of tier, are also fully compliant. Failure by CONSULTANT to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement, or such other remedy as AUTHORITY deems appropriate, which may include, but is not limited to:

1. Withholding monthly progress payments;
2. Assessing sanctions;
3. Liquidated damages; and/or
4. Disqualifying CONSULTANT from future bidding/proposing as non-

responsible.

In instances of identified non-compliance, a Cure Notice will be issued to CONSULTANT identifying the DBE non-compliance matter(s) and specifying the required course of action for remedy.

CONSULTANT must be given ten (10) working days from the date of the Cure Notice to remedy or to: (1) File a written appeal accompanied with supporting documentation; and/or (2) Request a hearing with AUTHORITY to reconsider AUTHORITY’s DBE determination.

Failure to respond within the ten (10) working day period will constitute a waiver of CONSULTANT’S right to appeal. If CONSULTANT files an appeal, AUTHORITY, must issue a written determination and/or set a hearing date within ten (10) working days of receipt of the written appeal, as applicable. A final Determination will be issued within ten (10) working days after the hearing, as applicable.

If after review of CONSULTANT’S appeal, AUTHORITY decides to uphold the decision to impose DBE administrative remedies on CONSULTANT, the written determination must state the specific remedy(ies) to be imposed.

Failure to comply with the Cure Notice and/or to remedy the identified DBE non-compliance matter(s) is a material breach of the Agreement and is subject to administrative remedies including withholding at a minimum of two percent (2%) of the invoice amount due per month for every month that the identified non-compliance matter(s) is not remedied. Upon satisfactory compliance, AUTHORITY will release all withholdings.

In addition to administrative remedies defined in this section, AUTHORITY is not precluded from invoking other contractual and/or legal remedies available under federal, state or local laws.

REQUIREMENTS**

1.0 DBE Goal

Although no DBE Goal has been established for this contract, proposers are encouraged to afford DBEs every opportunity to compete for and participate on this U.S. DOT-assisted contract.

2.0 DBE Policy and Applicability

In accordance with federal financial assistance agreements with the U.S. Department of Transportation (“U.S. DOT”), the Orange County Transportation Authority (“Authority”) has adopted a Disadvantaged Business Enterprise (“DBE”) Policy and Program, in conformance with Title 49 CFR Part 26, “Participation by Disadvantaged Business Enterprises in Department of Transportation Programs.” The contract is subject to the following stipulated regulations. Pursuant to the intent of these Regulations, it is the policy of the Authority to fulfill the spirit and intent of the DBE Program regulations published under U.S. DOT Title 49 CFR, Part 26, by ensuring that DBEs have an equitable opportunity to compete for and participate in Authority’s U.S. DOT-assisted contracts and subcontracts. The Authority is firmly committed to its DBE Program objectives, which are designed to:

- 2.1 Ensure non-discrimination in the award and administration of Authority’s U.S. DOT-assisted contracts.
- 2.2 Create a level playing field on which DBEs can compete fairly for the Authority’s U.S. DOT-assisted contracts.
- 2.3 Ensure that the DBE Program and Overall Goal are narrowly tailored in accordance with applicable law.
- 2.4 Ensure that only firms that meet 49 CFR, Part 26 eligibility standards are permitted to participate as DBEs in the Authority’s DBE program.
- 2.5 Help remove barriers which impede the participation of DBEs in the Authority’s U.S. DOT-assisted contracts.
- 2.6 Promote the use of DBEs in all types of U.S. DOT-assisted agreements and procurement activities conducted by the Authority.
- 2.7 Provide training and other assistance through our resource partners to address capital, bonding and insurance needs.

- 2.8 Assist in the development of DBE firms that can compete successfully in the marketplace outside the DBE Program; and
- 2.9 Establish and provide opportunities for DBEs by providing flexibility in the implementation of the Authority's DBE Program.

Proposers shall not discriminate on the basis of race, color, national origin, or sex in the award and performance of subcontracts.

Any terms used in this section that are defined in 49 CFR Part 26, or elsewhere in the Regulations, shall have the meaning set forth in the Regulations. In the event of any conflicts or inconsistencies between the Regulations and the Authority's DBE Program with respect to U.S. DOT-assisted contracts, the Regulations shall prevail.

Race-Neutral/Race-Conscious DBE Program Measures

The Authority will utilize both race-neutral and race-conscious means to meet its overall DBE Program goal.

Race-neutral measures include, but are not limited to, conducting outreach, training, providing other resource assistance and assessing proposal delivery schedules to ensure that DBEs interested in proposing for U.S. DOT-assisted solicitations are provided Additional Authority Race-Neutral measures include ensuring that DBEs and other small business are afforded ample opportunity to participate in the Authority's U.S. DOT-assisted solicitations by unbundling large contracts to make them more accessible to small businesses and requiring or encouraging prime consultants to subcontract portions of work that they might, otherwise, perform with their own work forces. Race-neutral participation also includes any time a DBE obtains a Prime Contract through customary competitive procurement procedures or is awarded a subcontract on a prime contract that does not carry a DBE goal.

In conjunction with the race-neutral measures listed above, the Authority will implement race-conscious measures through the use of contract goals and good faith efforts. When a contract-specific goal is assigned to a project, proposers must demonstrate responsiveness by committing to meet the DBE goal or documenting a bona fide good faith effort to do so, as a condition of award. Contract-specific goals are specifically targeted at DBEs certified through the California Unified Certification Program ("CUCP").

B. PROHIBITIONS

1. Section 1352 of Title 31, United States Code, among other things, prohibits a recipient of a Federal contract, grant, loan or cooperative agreement from using appropriated funds to pay any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract; the making of any Federal grant; the making of any Federal loan; the entering into of any cooperative agreement; or, the modification of any Federal contract, grant, loan, or cooperative agreement.
2. The Act also requires consultant to furnish a disclosure if any funds other than Federal appropriated funds (including profit or fee received under a covered Federal transaction) have been paid, or will be paid, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with a Federal contract, grant, loan or cooperative agreement.
3. The prohibitions of the Act do not apply under the following conditions:
 - a. Agency and legislative liaison by own employees.
 - (1) The prohibition on the use of appropriated funds, in subparagraph C.1. of this clause, does not apply in the case of payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.
 - (2) For purposes of paragraph C.3.a.(1) of this clause, providing any information specifically requested by an agency or Congress is permitted at any time.
 - (3) The following agency and legislative liaison activities are permitted any time where they are not related to a specific solicitation for any covered Federal action:

Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities.

Technical discussions and other activities regarding the application of adaptation of the person's products or services for

an agency's use.

- (4) The following agency and legislative liaison activities are permitted where they are prior to formal solicitation of any covered Federal action:

Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Public Law 95-507, and subsequent amendments.

- (5) Only those services expressly authorized by paragraph C.3.a.(1) of this clause are permitted under this clause.

b. Professional and technical services

- (1) The prohibition on the use of appropriated funds, in subparagraph C.1. of this clause, does not apply in the case of:

A payment of reasonable compensation made to an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of covered Federal action, if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal action or for meeting requirements imposed by or pursuant to law as condition for receiving that Federal action.

Any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action or an extension, continuation, renewal, amendment, or modification of a covered Federal action if the payment is for professional or technical services rendered directly in the preparation, submission or negotiation of any bid, proposal, or application or that Federal action or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal action. Persons other than officers or employees of a person requesting or receiving a covered Federal action include contractors and trade associations.

- (2) For purposes of paragraph C.3.a.(1) of this clause, professional and technical services shall be limited to advise and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission, or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission, or negotiation of a covered Federal action.
- (3) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation and any other requirements in the actual award documents.
- (4) Only those services expressly authorized by paragraph C.3.a.(1) and (2) of this clause are permitted under this clause.
- (5) The reporting requirements of FAR 3.803(a) shall not apply with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

c. Disclosure

- (1) The consultant who requests or receives from an agency a Federal contract shall file with that agency a disclosure form OMB standard form LLL, Disclosure of Lobbying Activities, (Attachment to the bid package) if such person has made or had agreed to made any payment using non appropriated funds (to include profits from any covered Federal action), which

would be prohibited under subparagraph B.1. of this clause, if paid for with appropriated funds.

- (2) The consultant shall file a disclosure form at the end of each calendar quarter in which there occurs any event that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under subparagraph II.A. of this clause. An event that materially affects the accuracy of the information reported includes:

A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or

A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

- (3) The consultant shall require the submittal of a certification, and if required, a disclosure form by any person who requests or receives any subcontract exceeding \$100,000 under the Federal contract.
- (4) All subcontractor disclosure forms (but not certifications) shall be forwarded from tier to tier until received by the prime consultant. The prime consultant shall submit all disclosures to the District at the end of the calendar quarter in which the disclosure form is submitted by the subcontractor. Each subcontractor certification shall be retained in the subcontract file of the awarding consultant.

d. Agreement

The consultant agrees not to make any payment prohibited by this clause.

e. Penalties

- (1) Any person who makes an expenditure prohibited under paragraph a) of this clause or who fails to file or amend the disclosure form to be filed or amended by paragraph d) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be

applicable.

- (2) Consultants may rely without liability on the representation made by their subcontractors in the certification and disclosure forms.

f. Cost Allowability:

Nothing in this clause is to be interpreted to make allowable or reasonable any costs, which will otherwise be unallowable or unreasonable. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any other provisions.
