D. Page Limitations.

Page limitations, if specified, must be treated as maximums. If exceeded, the excess pages will not be read or considered in the evaluation of the Respondent's Proposal. Each page must be counted except the following: blank pages, title pages, tables of contents, tabs, glossaries, and those parts of the Proposal noted as unlimited.

E. Page Size and Format.

A page is defined as each face of an 8 ½ X 11-inch sheet of paper containing information. When both sides of a sheet display printed material, it will be counted as two (2) pages. For the purposes of formatting, font sizes must not be less than 10 points. Pages must be numbered sequentially within volumes. These limitations apply to both electronic and hard copy Proposals. Department-furnished forms and attachments must not be altered and are exempt from stated formatting.

F. Charts and Tables.

Tables, charts, graphs and figures must be used wherever practical to depict organizations, systems and layout, implementation schedules, plans, etc. These displays must be uncomplicated and must not exceed 11 x 17 inches in size. Foldout pages must fold entirely within the volume, and count as a single page. Foldout pages may only be used for large tables, charts, graphs, diagrams and schematics, not for pages of text. For tables, charts, graphs and figures, the font size must be no smaller than 10 points. These limitations must apply to both electronic and hard copy Proposals.

G. Electronic Copies.

In addition to the required hard copies, one (1) electronic copy of the entire Proposal must be submitted on CD, DVD, or USB-compatible memory stick. Respondent must submit all volumes in electronic format, using MS Windows-compatible, CDs/DVDs/USBs. One CD/DVD/USB containing all volumes with all documents is

preferred, but multiple CDs/DVDs/ USBs are acceptable. **Each CD/DVD/USB must indicate the Respondent's name, RFP number, and volume and title (if separated).**

The content and page sizes contained on the electronic copy must be identical to the hard copies. Files included on the CD/DVD/USB must be uncompressed. The electronic copy of the Proposal must be submitted in a format readable by Microsoft (MS) Word 2013®, MS Excel 2013®, MS Power Point 2013®, or Adobe Acrobat®, or later, as applicable. Hidden fields, comments, macros, etc. must be omitted, and read passwords on files must not be used. Files must be consistently and uniformly named to allow for easy distinction between Volume, Tab, etc. Inclusion of company name or abbreviation is acceptable.

Documents submitted electronically must be in their native format and, when printed, must match the original paper submittal. In the event there is a conflict between the content found in a paper submittal and an electronic copy, the paper submittal marked "original" will take precedence.

Respondents are advised to assure electronic files are not corrupt prior to mailing, as any material which is not readable will not be considered and may be grounds for rejection from further consideration.

H. Elaborate Proposals.

Respondent may include in their Proposal brochures and artwork, paper and bindings, or other visual presentation aids. Proposal shall be prepared in accordance with the instructions herein.

3.03 Proposal Submission.

NOTE: This section supersedes Section 2.00, General Instructions to Respondents (PUR-1001) Paragraph #3, Electronic Submission of Responses.

Respondents shall deliver Proposals to the Department's office designated in the Solicitation Acknowledgement Form before the date and time specified. Any Proposal that is received after the exact time specified in the Timeline of Events is late. All Proposal materials must be packaged so that each box shipped to the Department does not exceed 25 pounds.

In addition to whatever markings are required for shipment, Proposal packages must be marked to show the Respondent's name and address, the solicitation number, and the date and time Proposals are due. If multiple packages are shipped, package sequences (i.e. 1 of 3, 2 of 4, etc.) must also be indicated on the outside of the package.

3.04 Alternate Proposals.

A Respondent may not submit more than one (1) Reply per Service. The Department seeks each Respondent's single-best Proposal. In the event a Respondent submits more than one (1), only the most-current (i.e. latest received by the Department) Proposal per Service will be accepted.

- (a) Proposals should contain only information that is responsive to the Solicitation. Any relevant and responsive information submitted which is asserted by Respondent to be proprietary, trade secret, intellectual property, or otherwise confidential ("Confidential Information") and which Respondent claim as privileged from disclosure despite any applicable Florida Public Records Law, must be clearly marked as such in the un-redacted version of the Proposal, and either removed from or obliterated in the Redacted Copy.
- (b) If Respondent fails to submit a Redacted Copy, the Department is authorized to produce the entire un-redacted document submitted to the Department in response to a public records request encompassing the Proposal.

- (c) The Redacted Copy should redact all, but only, those portions of material that Respondent asserts are Confidential Information. Respondent must identify the statutory citation supporting its claim of confidentiality for each and every redaction.
- (d) Failure to identify asserted Confidential Information in Proposals, and/or to redact such information in the Redacted Copy, shall constitute a waiver of any claim of confidentiality or exemption to such information, document or Proposal.

3.06 Conflict of Interest.

The Respondent covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of the services required to be performed under the contract.

If an award(s) is not made within one hundred eighty (180) days after the Proposal opening date, the Proposal shall remain firm until either the Department posts an Agency Decision, or the Department receives a written notice from the Respondent that the Proposal is withdrawn, whichever occurs first. Any Proposal that expresses a shorter duration shall be rejected.

3.09 Misrepresentation.

All information submitted, and representations made by the Respondent are material and important and will be relied upon by the Department in awarding the contract. Any misstatement or omission (a "Misrepresentation") shall be treated as a fraudulent concealment of the true facts relating to submission of the Solicitation. A misrepresentation shall be a basis for the Department to disqualify the Respondent from participating in this Solicitation, and any re-solicitation pertaining to this subject matter (regardless of whether the re-solicitation resulted from Respondent's misrepresentation) and shall be punishable under law, including, but not limited to, Chapter 817, F.S.

3.10 Public Requests for Proposals.

- (a) If a public records request is made for the Proposal, the Department will provide the requestor access to the Redacted Copy, bearing Respondent's assertion of exemption from disclosure. If a public records request is made for the un-redacted Proposal challenging the assertion of exemption, the Department will notify Respondent that the requested records contain asserted Confidential Information. Respondent shall be solely responsible for taking whatever action it deems appropriate to legally defend its claim of exemption from disclosure under the Public Records Law.
- (b) Respondent shall obtain either an agreement with the requestor withdrawing its request or commence an action in a court of competent jurisdiction requesting an injunction prohibiting its disclosure within seventy-two (72) hours (excluding weekends and state and federal holidays) of Respondent's receipt of notice of the public records request.

- (c) By submitting its Proposal, Respondent agrees that no right or remedy for damages against the Department will arise from disclosure by the Department of the alleged Confidential Information following Respondent's failure to promptly protect its claim of exemption.
- (d) By submitting a Proposal to this Solicitation, the Respondent agrees to protect, defend, and indemnify the Department for any and all claims arising from or relating to the Respondent's assertion that the redacted portions of its Proposal are Confidential Information not subject to disclosure.

3.11 Responsibility.

The Respondent must prove to the satisfaction of the Department that they have available under their direct supervision, the necessary organization, experience, equipment and staff to properly fulfill all the conditions, requirements, and specifications required under this Solicitation. In determining Respondent(s) responsibility, the Department may consider any information or evidence which comes to its attention and which reflects upon a Respondent's capability to fully perform the Solicitation requirements and/or the Respondent's demonstration of the level of integrity and reliability which the Department determines to be required to assure performance of the Solicitation.

3.12 Prime Contractor and Subcontractor.

In accordance with the terms of the Solicitation Acknowledgment Form, a Respondent may not respond to this Solicitation as both prime contractor and as a subcontractor. A Respondent may not disclose to any other Respondent or subcontractor what prices or terms Respondent has included in its Reply as a prime contractor.

All Replies to this Solicitation to provide services as prime contractors which are received from affiliated entities (those with any common ownership, management or control), shall be rejected if discovered prior to selection and any award or contract thereon shall be terminated if discovered subsequent thereto.

SECTION 4.00 EVALUATION CRITERIA

The Department will establish an Evaluation Team composed of persons who collectively have experience and knowledge in the program area and service requirements for this RFP. These evaluators will work independently to evaluate and score the Respondent's Proposals using the evaluation criteria included in this section. Each service will be evaluated and scored separately.

4.01 Past Performance Evaluation

The Department will conduct a Past Performance Evaluation of the Client References the Respondent provided. Each Client Reference will be asked the questions on the Past Performance Evaluation Form (Section 16.00). The Maximum Raw Score for each Client Reference is 25 points. The Department will calculate the Respondent's Final Past Performance Score as follows:

$$\text{Average Raw Score} \times \text{Weight Factor} = \text{Final Past Performance Evaluation Score}$$

The Department will contact Respondent's references via telephone or by email to complete the Evaluation of Past Performance Form.

1. The Department will contact Client References by telephone OR email during normal business hours (8:00 AM - 5:00 PM) during the designated time period on the Timeline of Events.
2. By telephone: The Department will make up to three (3) telephone contact attempts and send (1) follow-up email if no response is received.
3. By email: The Department will email the Past Performance Evaluations form and follow-up with three (3) reminder emails if no response is received.
4. **If the contact person cannot be reached following the specified number of attempts, the Respondent shall receive a score of zero (0) for that Client Reference.**

4.02 Price Evaluation

Each Scenario (A. Video; B. Photography; C. Graphic Design) will be evaluated individually and is worth a maximum of 30 points per Scenario. The Respondent submitting the Lowest Total Budget (LTB) for each Scenario in Section 6.00 will receive the maximum points for that Scenario. The other Respondents' scores Proposed Budget (PB) will be based on a relative percentage of the dollar amount higher than the lowest cost or price submitted by the lowest priced Respondent in each Scenario. The formula used to determine the points awarded for each Scenario is:

$$\text{Cost Points Awarded} = (\text{LTB}) / \text{Proposal Budget being Considered (PB)} \times 30$$

4.03 Professional Experience Proposal Evaluation

Each evaluator will work independently using the Evaluation Criteria to review and score Respondent's Professional Experience Proposal in the order and method they deem most effective. Upon completion of the Professional Experience Proposal evaluation, the evaluators will submit their scores to the Procurement Officer for tabulation.

The members of the Evaluation Team score each Professional Experience Proposal separately. For each Respondent, each evaluator will assign a numerical score from zero (0) to five (5) to each Tab, use the scoring guidelines provided below to assign numerical scores.

Numerical Score	Evaluation Word	Description
5	Superior	Proposal exhaustively addresses the evaluation criterion or demonstrates extraordinary experience related to the criterion.

4	Excellent	Proposal extensively addresses the evaluation criterion or demonstrates exceptional experience related to the criterion.
3	Acceptable	Proposal adequately addresses the evaluation criterion or demonstrates sufficient experience related to the criterion.
2	Fair	Proposal minimally addresses the evaluation criterion or demonstrates nominal experience related to the criterion.
1	Poor	Proposal inadequately addresses the evaluation criterion or demonstrates limited experience related to the criterion.
0	Missing	Proposal does not address the evaluation criterion or does not demonstrate experience related to the criterion.

After the evaluation team assigns scores, the Department will calculate the Respondent's Final Professional Experience Score as follows:

1. Multiply the Assigned Score by the Tab Value
2. Average the Respondent's Tab Scores
3. Sum the Average Tab Scores

As America’s first three-time winner of the National Gold Medal Award for Excellence in the management of state park systems, the Department strives to build community engagement, raise awareness of DEP initiatives and Florida State Parks, and offer unique tangibles for audiences.

As partners with Visit Florida, the state’s number one tourism industry, the Department offers opportunities for tourists via its state parks. Raising awareness for these parks is essential for not only the growth of tourism, but for the interaction of Florida residents.

Scope of Work. The Department seeks a production company who will collaborate with the Florida State Parks marketing campaign manager and the Office of Marketing and Creative Development to storyboard, stage and capture footage and export final cinema-quality videos for marketing purposes.

To capture required footage, the vendor must travel to four state parks, each in a different region across North and South Florida for staged shots identified during the storyboard discussion. The vendor must also work with DEP employees identified for on-screen talent. Outside voice talent for video narration will not be included in this task.

DEP requires three (3) versions of the video (approximately 2-minute, 60-second, 30-second lengths) for use on TV spots, YouTube, Facebook, Instagram, Twitter, mobile ads and digital ads. The videos should be exported into various file types optimized for the advertising placements.

This will help DEP, Florida State Parks to gain high end creatives to use for advertising to achieve the objective of increasing awareness while positioning DEP as the state’s foremost expert on environmental issues and driving the public to visit Florida State Parks.

The videos will serve as part of a branding campaign for DEP and Florida State Parks. The videos must serve as a full-service storytelling complement to the brand with an emotional hook that resonates with Floridians.

The videos must effectively illustrate the knowledge and passion behind the work that goes into preserving and protecting Florida's environment and natural resources, which includes air management, waste management, springs protection, beach/coastal restoration, water restoration and management. The videos should show that the Florida State Parks system provides the public a close-up showcase of how this important work benefits the state, while providing the public with diverse opportunities for recreational activities and learning, including trails, beaches, springs, camping, cabins, wilderness, activities found in parks, restaurants found in parks, hidden gems to popular parks, laid back to active parks, etc.

Top goals to accomplish during this project:

- Video Production
 - o Understand DEP's vision.
 - o Stage and capture footage. This will require travel to four (4) state parks across North and South Florida.
 - o Development of a cinema-quality video in file types optimized for identified marketing platforms.
 - o Include drone shots
 - o Edits as needed
- Talent
 - o Use DEP staff for on-screen appearances
- Background Music
 - o Must be royalty-free
- Footage
 - o Travel to various state parks across Florida will be required to capture the footage that we want for the video. Details will be discussed with the selected vendor.
 - o Travel costs should be captured as part of the production section quote and may not be listed separately from the line items within the price sheet.
- File Types
 - o The videos will be used on various advertising platforms. We are looking to have the video cut and exported into one to three versions: 2-minute TV spot, 60 second TV spot, 30 second TV spot, YouTube, Facebook, Instagram, Twitter, mobile ads and digital ads.
 - o The videos must be in an editable file given DEP rights to edit as needed.

Deliverables. The vendor will create one to three (3) versions of a cinema-quality video in **2-minute, 60-second and 30-seconds** for marketing purposes, which will be used by DEP on the following platforms: TV spot, YouTube, Facebook, Instagram, Twitter, mobile ads and digital ads. The video should be exported into various file types optimized for the advertising placements. The vendor will work closely with the department to understand the vision of the videos and to satisfy the department's requirements for the video.

D. Either party may request mediation of unresolved Claims, with the party seeking mediation to bear the expense of mediation.

E. Any Claim not resolved at formal conference or mediation, may be the subject of a complaint filed in a court of competent jurisdiction in Leon County, Florida.

17.17 Financial Consequences for Unsatisfactory Performance.

A. No payment will be made for deliverables deemed unsatisfactory by the Department. B. If a satisfactory deliverable is not submitted within the specified time frame, the Department may, in its sole discretion: 1) assess liquidated damages if specified in the Contract or its attachments; 2) request from the Contractor agreement to a reduction in the amount payable; 3) suspend all Work until satisfactory performance is achieved, or 4) terminate the Contract for failure to perform.

A. A CAP shall be submitted within ten (10) calendar days of the date of the letter request from the Department. The CAP shall be sent to the Department Contract Manager for review and approval. Within ten (10) calendar days of receipt of a CAP, the Department shall notify the Contractor in writing whether the CAP proposed has been accepted. If the CAP is not accepted, the Contractor shall have ten (10) calendar days from receipt of the Department letter rejecting the Proposal to submit a revised proposed CAP. Failure to obtain the Department approval of a CAP as specified above shall result in the Department's termination of the Contract for cause as authorized in the Contract.

B. Upon the Department's notice of acceptance of a proposed CAP, the Contractor shall have ten (10) calendar days, or longer if specified in the approved CAP, to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Contractor of any of its obligations under the Contract. In the event the CAP fails to correct or eliminate performance deficiencies by the Contractor, the Department shall retain the right to require additional or further remedial steps, or to terminate the Contract for failure to perform. No actions approved by the Department or steps taken by the Contractor shall estop the Department from subsequently asserting any deficiencies in performance. Contractor shall continue to implement the CAP until all deficiencies are corrected. Additional insurance requirements for this Contract may be required elsewhere in this Contract, however the minimum insurance requirements applicable to this Contract are:

F. Failure to Maintain Coverage. In the event that any applicable coverage is cancelled by the insurer for any reason, the Contractor shall immediately notify the Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) calendar days after the cancellation of coverage.

17.22 Indemnification.

A. Contractor shall be fully liable for the actions of its agents, employees, partners, or subcontractors and shall fully indemnify, defend, and hold harmless the State of Florida, the Department, and the State of Florida Board of Trustees of the Internal Improvement Trust Fund, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act

B. Further, the Contractor shall fully indemnify, defend, and hold harmless the State and Department from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to the Department's misuse or modification of the Contractor's products or the Department's operation or use of the Contractor's products in a manner not contemplated by this Contract. If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may at its sole expense procure for the Department the right to continue using the product or to modify it to become noninfringing. If the Contractor is not reasonably able to modify or otherwise secure the Department the right to continue using the product, the Contractor shall remove the product and refund the Department the amounts paid in excess of a reasonable rental for past use. Department shall not be liable for any royalties.

C. The Contractor's obligations under the preceding two (2) paragraphs with respect to any legal action are contingent upon the State or the Department giving Contractor 1) written notice of any action or threatened action, 2) the opportunity to take over and settle or defend any such action at the Contractor's sole expense, and 3) assistance in defending the action at the Contractor's sole expense.

17.23 Subcontracting.

An "X" beside the correct provision in this section signifies that the provision is applicable to the Contract.

☐ Contractor shall not subcontract any Work under this Contract.

☒ A. Contractor shall not subcontract any Work under this Contract without the prior written consent of the Department's Contract Manager. Department reserves the right to reject any proposed subcontractor based upon the Department's prior experience with subcontractor, subcontractor's reputation, or the Department's lack of adequate assurance of performance by subcontractor. Contractor agrees to be responsible for the fulfillment of all work elements included in any subcontract and agrees to be responsible for the payment of all monies due under any subcontract.

B. Department shall not be liable to any subcontractor for any expenses or liabilities incurred under any subcontract, regardless of whether the Department has approved such subcontract or subcontractor. Contractor shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under any subcontract. Any subcontracts made under or in performance of this Contract must include the same conditions specified in this Contract, with the exception of insurance requirements (paragraph contained herein), and shall include a release of any rights, claims or liabilities against the Department. The level of insurance to be carried by subcontractors performing work under this Contract shall be at the discretion of Contractor.

C. The Department supports diversity in its Procurement Program and requests that all subcontracting opportunities afforded by this Contract embrace diversity enthusiastically. The award of subcontracts should reflect the full diversity of the citizens of the State of Florida. Contractors can contact the Office of Supplier Diversity at (850) 487-0915 for information on minority vendors who may be considered for subcontracting opportunities.

17.24 Nonassignability.

Contractor shall not sell, assign or transfer any of its rights, duties or obligations under this Contract (its Rights and Duties), without the prior written consent of the Department. Contractor shall remain liable for performance of its Rights and Duties, regardless of any assignment to or assumption by any third party, notwithstanding any approval thereof by the Department. However, the Department may expressly release the Contractor from any and all Rights and Duties through a novation accompanying an approved assignment.

Department may assign the Department's Rights and Duties but shall give prior written notice of its intent to do so to the Contractor. The foregoing notwithstanding, the Contractor hereby assigns to the State any and all claims it has with respect to the Contract under the antitrust laws of the United States and the State.

17.25 Third Party Beneficiaries.

This Contract is neither intended nor shall it be construed to grant any rights, privileges or interest in any third party without the mutual written agreement of the parties hereto.

17.26 Suspension.

A. Department may order the Contractor in writing to suspend, delay or interrupt all or any part of the Work for failure to perform, or as otherwise specified herein, such period of time as the Department may determine to be appropriate for any of the following reasons:

- 1) Contractor fails to timely and properly correct deficiencies in or performs unsatisfactory work;
- 2) Contractor's or subcontractor's insurer or surety notifies the Department that any of its required insurance or bonds has lapsed or will lapse, and the Contractor fails to provide replacement insurance or bonds acceptable to the Department before the insurance or bond cancellation or termination date;
- 3) Contractor or subcontractor materially violates safety laws or other constraints;
- 4) Department determines that there is a threat to the public health, safety or welfare that necessitates such suspension; or
- 5) For the convenience of the Department.

B. If the performance of all or any part of the Work is suspended, delayed or interrupted for an unreasonable period of time by an act of the Department in administration of the Work, or by the Department's failure to act within a reasonable time to review or approve an invoice, the Department shall provide an equitable extension of the time allowed to complete the Work and modify the Scope accordingly. However, no adjustment shall be made under this clause for any suspension, delay or interruption if and to the extent that:

- 1) Performance would have been suspended, delayed or interrupted by any other cause, including the fault or negligence of the Contractor; or
- 2) Equitable adjustment is provided for (or excluded) under any other provision of this Contract.

C. Contractor shall not be compensated for Work performed subsequent to a notice of suspension by Department.

17.27 Termination.

A. Department may terminate this Contract at any time for cause, in the event of the failure of the Contractor to fulfill any of its obligations. Prior to termination, the Department shall provide ten (10) calendar days written notice of its intent to terminate for cause, including the reasons for such, and shall provide the Contractor an opportunity to consult with the Department regarding the reason(s) for termination. Contractor may be afforded the possibility of curing any default at the sole discretion of the Department.

B. The Department may terminate this Contract without cause and for its convenience by giving thirty (30) calendar days written notice to the Contractor. The Contractor shall take all actions necessary to ensure that their employees, subcontractors and other agents are not employees of the State of Florida. Such actions include, but are not limited to, ensuring that Contractor's employees, subcontractors, and other agents receive benefits and necessary insurance (health, workers' compensations, and unemployment) from an employer other than the State of Florida.

No claim for damages, other than for an extension of time, shall be asserted by the Contractor against the Department. Contractor shall not be entitled to an increase in the price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor shall perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State or to the Department, in which case the Department may 1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to the Department with respect to products subjected to allocation, or 2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products that are the subject of the delay, which purchases may be deducted from the Contract quantity, or 3) terminate the Contract in whole or in part.

Department reserves the right and the complete discretion to accept any such alteration or to cancel the Contract at no further expense to the Department. Contractor's failure to timely notify the Department of its asserted belief shall constitute a waiver of such claim.

The headings contained herein are for convenience only, do not constitute a part of this Contract and shall not be deemed to limit or affect any of the provisions hereof.

17.42 Integration.

This Contract contains all the terms and conditions agreed upon by the parties, which terms and conditions shall govern all transactions between the Department and the Contractor. No oral agreements or representations shall be valid or binding upon the Department or the Contractor. No alteration or modification of the Contract terms, including substitution of product, shall be valid or binding against the Department. Contractor may not unilaterally modify the terms of this Contract by affixing additional terms to product upon delivery (e.g., attachment or inclusion of standard preprinted forms, product literature, "shrink wrap" terms accompanying or affixed to a product, whether written or electronic) or by incorporating such terms onto the Contractor's order or fiscal forms or other documents forwarded by the Contractor for payment.
