If Vendors have questions, issues, or exceptions regarding any term, condition, or other component of this RFP, those must be submitted as questions in accordance with the instructions in the PROPOSAL QUESTIONS Section. If UNC Asheville determines that any changes will be made as a result of the questions asked, then such decisions will be communicated in the form of an RFP addendum. UNC Asheville may also elect to leave open the possibility for later negotiation and amendment of specific provisions of the Contract that have been addressed during the question and answer period. Other than through this Q and A process or negotiation under 01 NCAC 05B.0503, UNC Asheville rejects and will not be required to evaluate or consider any additional or modified terms and conditions submitted with Vendor's proposal or otherwise. 3.0 METHOD OF AWARD AND PROPOSAL EVALUATION PROCESS

3.1 METHOD OF AWARD

North Carolina G.S. 143-52 provides a general list of criteria UNC Asheville shall use to award contracts, as supplemented by the additional criteria herein. The Goods or Services being procured shall dictate the application and order of criteria; however, all award decisions shall be in UNC Asheville's best interest. All qualified proposals will be evaluated, and awards will be made to the Vendor(s) meeting the specific RFP Specifications and achieving the highest and best final evaluation, based on the criteria described below.

UNC Asheville intends to award this contract to a single Vendor. UNC Asheville reserves the right to not award one or more line items, or to cancel this RFP in its entirety without awarding a Contract, if it is considered to be most advantageous to UNC Asheville to do so.

UNC Asheville reserves the right to waive any minor informality or technicality in proposals received.

3.2 CONFIDENTIALITY AND PROHIBITED COMMUNICATIONS DURING EVALUATION

While this RFP is under evaluation, the responding Vendor, including any subcontractors and suppliers, is prohibited from engaging in conversations intended to influence the outcome of the evaluation. See the Paragraph of the Instructions to Vendors entitled Confidential Information.

3.3 PROPOSAL EVALUATION PROCESS

Only responsive submissions will be evaluated. **UNC Asheville will conduct a One-Step evaluation of Proposals:**

Only responsive submissions will be evaluated. Proposals will be received according to the method stated in the Proposal Submittal Section above.

All proposals must be received by the issuing agency not later than the date and time specified in the RFP SCHEDULE Section above, unless modified by Addendum. Vendors are cautioned that this is a request for offers, not an offer or request to contract, and UNC Asheville reserves the unqualified right to reject any and all offers at any time if such rejection is deemed to be in the best interest of UNC Asheville.

At the date and time provided in the RFP SCHEDULE Section above, unless modified by Addendum, the proposal from each responding Vendor will be opened publicly and the name of the Vendor and total cost offered may be announced. Interested parties are cautioned that these costs and their components are subject to further evaluation for completeness and correctness and therefore may not be an exact indicator of a Vendor's pricing position.

If negotiation is anticipated under 01 NCAC 05B.0503, pricing may not be public until award.

At their option, the evaluators may request oral presentations or discussions with any or all Vendors for clarification or to amplify the materials presented in any part of the proposal. Vendors are cautioned, however, that the evaluators are not required to request presentations or other clarification—and often do not. Therefore, all proposals should be complete and reflect the most favorable terms available from the Vendor.

3.4 EVALUATION CRITERIA

In addition to the general criteria in G.S. 143-52 which may or may not be relevant to this RFP, all qualified proposals will be evaluated, and award made based on considering the following criteria, to result in an award most advantageous to UNC Asheville:

BEST VALUE: "Best Value" procurement methods are authorized by N.C.G.S. §§143-135.9 and 143B-1350(h). The award decision is made based on multiple factors, including: total cost of ownership, meaning the cost of acquiring, operating, maintaining, and supporting a product or service over its projected lifetime; the evaluated technical merit of the Vendor's offer; the Vendor's past performance; and the evaluated probability of performing the specifications stated in the solicitation on time, with high quality, and in a manner that accomplishes UNC Asheville's business objectives and maintains industry standards compliance. The intent of "Best Value" procurement is to enable Vendors to offer and the Agency to select the most appropriate solution to meet the business objectives defined in the solicitation and to keep all parties focused on the desired outcome of a procurement.

A ranking method of source selection will be utilized in this procurement using evaluation criteria listed in order of importance in the Evaluation Criteria section below to allow UNC Asheville to award this RFP to the Vendor(s) providing the Best Value and recognizing that Best Value may result in award other than the lowest price or highest technically qualified offer. By using this method, the overall ranking may be adjusted up or down when considered with, or traded-off against, other non-price factors.

EVALUTION METHOD: Narrative and by consensus of the evaluating committee, explaining the strengths and weaknesses of each proposal and why the recommended awardee(s) provide the best value to UNC Asheville.

All qualified proposals will be evaluated, and award made based on considering the following criteria listed in order of importance, to result in an award most advantageous to UNC Asheville:

Selection will be based on cost, timeliness, experience in the higher education market, and articulation of a clear strategy and commitment to the quality and urgency of the project.

3.5 PERFORMANCE OUTSIDE THE UNITED STATES

Vendor shall complete ATTACHMENT F: LOCATION OF WORKERS UTILIZED BY VENDOR. In addition to any other evaluation criteria identified in this RFP, UNC Asheville may also consider, for purposes of evaluating proposed or actual contract performance outside of the United States, how that performance may affect the following factors to ensure that any award will be in the best interest of UNC Asheville:

- a) Total cost to UNC Asheville
- b) Level of quality provided by the Vendor
- c) Process and performance capability across multiple jurisdictions
- d) Protection of UNC Asheville's information and intellectual property
- e) Availability of pertinent skills
- f) Ability to understand UNC Asheville's business requirements and internal operational culture
- g) Particular risk factors such as the security of UNC Asheville's information technology
- h) Relations with citizens and employees
- i) Contract enforcement jurisdictional issues

3.6 INTERPRETATION OF TERMS AND PHRASES

This RFP serves two functions: (1) to advise potential Vendors of the parameters of the solution being sought by UNC Asheville; and (2) to provide (together with other specified documents) the terms of the Contract resulting from this procurement. The use of phrases such as "shall," "must," and "requirements" are intended to create enforceable contract conditions. In determining whether proposals should be evaluated or rejected, UNC Asheville will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy UNC Asheville's needs as described in the RFP. Except as specifically stated in the RFP, no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement may result in UNC Asheville exercising its discretion to reject a proposal in its entirety.

4.0 REQUIREMENTS

This Section lists the requirements related to this RFP. By submitting a proposal, the Vendor agrees to meet all stated requirements in this Section as well as any other specifications, requirements, and terms and conditions stated in this RFP. If a Vendor is unclear about a requirement or specification, or believes a change to a requirement would allow for UNC Asheville to receive a better proposal, the Vendor is urged to submit these items in the form of a question during the question and answer period in accordance with the Proposal Questions Section above.

4.1 PRICING

Responses to this RFP must include complete pricing. Proposal price shall constitute the total cost to UNC Asheville for complete performance in accordance with the requirements and specifications herein, including all applicable charges for handling, transportation, administrative and other similar fees. The pricing provided in Vendor's response shall become part of any resulting Contract.

4.2 INVOICES

The standard format for invoicing shall be Single Invoices meaning that the Vendor shall provide the Purchasing Agency with an invoice for each order. Invoices shall include detailed information to allow Purchasing Agency to verify pricing at point of receipt matches the correct price from the original date of order. The following fields shall be included on all invoices, as relevant:

Vendor's Billing Address, Customer Account Number, NC Contract Number, Order Date, Buyer's Order Number, Manufacturer Part Numbers, Vendor Part Numbers, Item Descriptions, Price, Quantity, and Unit of Measure.

INVOICES MAY NOT BE PAID UNTIL AN INSPECTION HAS OCCURRED AND THE GOODS OR SERVICES ACCEPTED.

4.3 HUB PARTICIPATION

Pursuant to North Carolina General Statute G.S. 143-48, it is State policy to encourage and promote the use of small, minority, physically handicapped, and women contractors in purchasing Goods and Services. As such, this RFP will serve to identify those Vendors that are minority owned or have a strategic plan to support the State's Historically Underutilized Business program by meeting or exceeding the goal of 10% utilization of diverse firms as 1st or 2nd tier subcontractors. Vendor shall complete ATTACHMENT D: HUB SUPPLEMENTAL VENDOR INFORMATION.

4.4 VENDOR EXPERIENCE

In its Proposal, Vendor shall demonstrate experience in the following areas:

- Working with a regional public liberal arts university with Division 1 athletics
- Support both in-state recruitment and growth of out-of-state markets
- Working with public and/or private sector clients with similar or greater size and complexity to UNC Asheville

4.5 REFERENCES

Vendor shall provide at least three (3) references, using ATTACHMENT E: CUSTOMER REFERENCE FORM, for which it has provided Services of similar size and scope to those proposed herein. UNC Asheville may contact these users to determine whether the Services provided are substantially similar in scope to those

proposed herein and whether Vendor's performance has been satisfactory. The information obtained may be considered in the evaluation of the Proposal.

4.6 BACKGROUND CHECKS

Any personnel or agent of Vendor performing Services under any Contract arising from this RFP may be required to undergo a background check at the expense of the Vendor, if so requested by UNC Asheville.

4.7 PERSONNEL

Vendor warrants that qualified personnel shall provide Services under this Contract in a professional manner. "Professional manner" means that the personnel performing the Services will possess the skill and competence consistent with the prevailing business standards in the industry. Vendor will serve as the prime contractor under this Contract and shall be responsible for the performance and payment of all subcontractor(s) that may be approved by UNC Asheville. Names of any third-party Vendors or subcontractors of Vendor may appear for purposes of convenience in Contract documents; and shall not limit Vendor's obligations hereunder. Vendor will retain executive representation for functional and technical expertise as needed in order to incorporate any work by third party subcontractor(s).

Should the Vendor's proposal result in an award, the Vendor shall be required to agree that it will not substitute key personnel assigned to the performance of the Contract without prior written approval by the Contract Lead. Vendor shall further agree that it will notify the Contract Lead of any desired substitution, including the name(s) and references of Vendor's recommended substitute personnel. UNC Asheville will approve or disapprove the requested substitution in a timely manner. UNC Asheville may, in its sole discretion, terminate the Services of any person providing Services under this Contract. Upon such termination, UNC Asheville may request acceptable substitute personnel or terminate the contract Services provided by such personnel.

4.8 VENDOR'S REPRESENTATIONS

If Vendor's Proposal results in an award, Vendor agrees that it will not enter any agreement with a third party that may abridge any rights of UNC Asheville under the Contract. If any Services, deliverables, functions, or responsibilities not specifically described in this solicitation are required for Vendor's proper performance, provision and delivery of the Service and deliverables under a resulting Contract, or are an inherent part of or necessary sub-task included within such Service, they will be deemed to be implied by and included within the scope of the Contract to the same extent and in the same manner as if specifically described in the Contract. Unless otherwise expressly provided herein, Vendor will furnish all of its own necessary management, supervision, labor, facilities, furniture, computer and telecommunications equipment, software, supplies and materials necessary for the Vendor to provide and deliver the Services and/or other Deliverables.

V. INTERPRETATION OF TERMS AND PHRASES

The Solicitation document serves to advise potential Vendors of the parameters of the solution being sought by the State. The use of phrases such as "shall," "must," and "requirements" are intended to create enforceable contract conditions. In determining whether bids should be evaluated or rejected, the State will take into consideration the degree to which Vendors have proposed or failed to propose solutions that will satisfy the State's needs as described in the Solicitation. Except as specifically stated in the Solicitation,

no one requirement shall automatically disqualify a Vendor from consideration. However, failure to comply with any single requirement, if determined to be essential under the circumstances then existing, may result in the State exercising its discretion to reject a bid in its entirety.

VI. BID SUBMISSION

1. **VENDOR'S REPRESENTATIVE:** Each Vendor shall submit with its bid the name, address, and telephone number of the person(s) with authority to bind the Vendor and answer questions or provide clarification concerning the Vendor's bid.
2. **SIGNING YOUR OFFER:** Every Offer must be signed by an individual with actual authority to bind the Offeror.
 - a) If the Offeror is an individual, the Offer must be signed by that individual. If the Offeror is an individual doing business as a firm, the Offer must be submitted in the firm name, signed by the individual, and state that the individual is doing business as a firm.
 - b) If the Offeror is a partnership, the Offer must be submitted in the partnership name, followed by the words by its Partner, and signed by a general partner.
 - c) If the Offeror is a corporation, the Offer must be submitted in the corporate name, followed by the signature and title of the person authorized to sign.
 - d) An Offer may be submitted by a joint venture involving any combination of individuals, partnerships, or corporations. If the Offeror is a joint venture, the Offer must be submitted in the name of the Joint Venture and signed by every participant in the joint venture in the manner prescribed in paragraphs (a) through (c) above for each type of participant.
 - e) If an Offer is signed by an agent, other than as stated in subparagraphs (a) through (d) above, the Offer must state that it has been signed by an Agent. Upon request, Offeror must provide proof of the agent's authorization to bind the principal.
3. **EXECUTION:** Failure to sign the Execution Page (numbered page 1 of the Solicitation document) in the indicated space may render an Offer nonresponsive, and it may be rejected.
4. **STATE OFFICE CLOSINGS:** If an emergency or unanticipated event interrupts normal government processes so that Offers cannot be received at the State office designated for receipt of bids by the exact time specified in the Solicitation, the time specified for receipt of Offers will be deemed to be extended to the same time of day specified in the Solicitation on the first work day on which normal government processes resume. In lieu of an automatic extension, an Addendum may be issued to reschedule the bid opening. If State offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Addendum will be issued to reschedule the conference.
5. **BID IN ENGLISH and DOLLARS:** Offers submitted in response to this Solicitation shall be in the English language and in US dollars, unless otherwise permitted by the Solicitation.
6. **LATE BIDS:** Late bids, regardless of cause, will not be opened or considered, and will automatically be disqualified from further consideration. It shall be the Vendor's sole responsibility to ensure delivery at the designated office by the designated time.
 - a) Vendor shall bear the risk for late submission due to unintended or unanticipated delay— whether submitted electronically, delivered by hand, U.S. Postal Service, courier or other delivery service. It is the Vendor's sole responsibility to ensure that its bid has been received by this Office by the specified time and date of opening. The date and time of submission will be marked on each bid when received, and any bid received after the bid submission deadline will be rejected.
 - b) For proposals submitted via U.S. mail, please note that the U.S. Postal Service generally does not deliver mail to a specified street address but to the State's Mail Service Center. Vendors are cautioned that proposals sent via U.S. Mail, including Express Mail, may not be delivered by the Mail Service Center to the agency's purchasing office on the due date in time to meet the proposal deadline. All Vendors are urged to take the possibility of delay into account when submitting a proposal by U.S. Postal Service, courier, or other delivery service.
7. **DETERMINATION OF RESPONSIVENESS:** Any Offer which fails to conform to the material requirements of the Solicitation may be rejected as nonresponsive. Offers which impose conditions that modify material requirements of the Solicitation may be rejected. If a fixed price is required, an Offer

will be rejected if the total possible cost to the State cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer.

8. CONTENTS OF OFFER:

- a) Offers should be complete and carefully worded and should convey all of the information requested.
- b) Offers should be prepared simply and economically, providing a straightforward, concise description of the Offeror's capabilities to satisfy the requirements of the Solicitation. Emphasis should be on completeness and clarity of content.
- c) If Your Offer includes any comment over and above the specific information requested in the Solicitation, You are to include this information as a separate appendix to Your Offer. Offers which include either modifications to any of the Solicitation's contractual requirements or an Offeror's standard terms and conditions may be deemed non-responsive and not considered for award at the State's discretion.

9. **MULTIPLE OFFERS.** If specifically stated in the Solicitation document, Offerors may submit more than one Offer, provided that each Offer has significant differences other than price. Each separate Offer must satisfy all Solicitation requirements.

10. **CLARIFICATION:** The State may elect to communicate with You after bid opening for the purpose of clarifying either Your Offer or the requirements of the Solicitation. Such communications may be conducted only with Offerors who have submitted an Offer which obviously conforms in all material aspects to the Solicitation. Clarification of an Offer must be documented in writing and included with the Offer. Clarifications may not be used to revise an Offer or the Solicitation.

11. **ACCEPTANCE AND REJECTION:** The State reserves the right to reject any and all bids, to waive any informality in bids and, unless otherwise specified by the Vendor, to accept any item in the bid. If either a unit price or an extended price is obviously in error and the other is obviously correct, the incorrect price will be disregarded. Regardless of error or omission, a Vendor shall not be permitted to increase its pricing after the deadline for submitting bids.

12. **BASIS FOR REJECTION:** Pursuant to 01 NCAC 05B .0501, the State reserves the right to reject any and all Offers, in whole or in part, by deeming the Offer unsatisfactory as to quality or quantity, delivery, price or service offered, non-compliance with the requirements or intent of this Solicitation, lack of competitiveness, error(s) in specifications or indications that revision would be advantageous to the State, cancellation or other changes in the intended project or any other determination that the proposed requirement is no longer needed, limitation or lack of available funds, circumstances that prevent determination of the best offer, or any other determination that rejection would be in the best interest of the State.

13. **INFORMATION AND DESCRIPTIVE LITERATURE:** Vendor shall furnish all information requested in the Solicitation document. Further, if required elsewhere in this bid, each Vendor shall submit with its bid any sketches, descriptive literature, and/or complete specifications covering the goods and services offered. Reference to literature submitted with a previous bid or available elsewhere will not satisfy this provision. **Do not submit bid samples or descriptive literature unless expressly requested.** Unsolicited bid samples or descriptive literature will not be examined or tested, will not be used to determine responsiveness, and will not be deemed to vary any of the provisions of the Solicitation. Failure to comply with these requirements shall constitute sufficient cause to reject a bid without further consideration.

14. **WITHDRAWAL OF BID OR PROPOSAL:** Proposals submitted electronically may be withdrawn at any time prior to the date for bid opening identified on the cover page of this Solicitation document (or such later date included in an Addendum). Proposals that have been delivered by hand, U.S. Postal Service, courier, or other delivery service may be withdrawn **only** in writing and if receipt is acknowledged by the office issuing the Solicitation document prior to the time for opening identified on the cover page of the Solicitation document (or such later date included in an Addendum). Written withdrawal requests shall be submitted on the Vendor's letterhead and signed by an official of the Vendor authorized to make such request. Any withdrawal request made after bid opening shall be allowed only for good cause shown and in the sole discretion of the Division of Purchase and Contract.

15. **COST FOR BID OR PROPOSAL PREPARATION:** Any costs incurred by Vendor in preparing or submitting Offers are the Vendor's sole responsibility.

16. **INSPECTION AT VENDOR'S SITE:** The State reserves the right to inspect, at a reasonable time, the equipment, item, plant, or other facilities of a prospective Vendor prior to Contract award, and during the Contract term as necessary for the State's determination that such equipment, item, plant, or other facilities conform with the specifications/requirements and are adequate and suitable for the proper and effective performance of the Contract.

17. **RECYCLING AND SOURCE REDUCTION:** It is the policy of the State to encourage and promote the purchase of products with recycled content to the extent economically practicable, and to purchase items which are reusable, refillable, repairable, more durable, and less toxic to the extent that the purchase or use is practicable and cost-effective. We also encourage and promote using minimal packaging and the use of recycled/recyclable products in the packaging of commodities purchased. However, no sacrifice in quality of packaging will be acceptable. The company remains responsible for providing packaging that will adequately protect the commodity and contain it for its intended use. Companies are strongly urged to bring to the attention of purchasers those products or packaging they offer which have recycled content and that are recyclable.

18. **CERTIFICATE TO TRANSACT BUSINESS IN NORTH CAROLINA:** As a condition of Contract award, each out-of-State Vendor that is a corporation, limited-liability company, or limited-liability partnership shall have received, and shall maintain throughout the term of The Contract, a Certificate of Authority to Transact Business in North Carolina from the North Carolina Secretary of State, as required by North Carolina law. A State contract requiring only an isolated transaction completed within a period of six months, and not in the course of a number of repeated transactions of like nature, shall not be considered transacting business in North Carolina and shall not require a Certificate of Authority to Transact Business.

19. **SUSTAINABILITY:** To support the sustainability efforts of the State of North Carolina we solicit Your cooperation in this effort. Pursuant to Executive Order 156 (1999), it is desirable that all responses meet the following:

a) If paper copies are requested, all copies of the bid are printed double sided. All submittals and copies are printed on recycled paper with a minimum post-consumer content of 30%.

b) Unless absolutely necessary, all bids and copies should minimize or eliminate use of non- recyclable or non-reusable materials such as plastic report covers, plastic dividers, vinyl sleeves, and GBC binding. Three-ringed binders, glued materials, paper clips, and staples are acceptable.

c) Materials should be submitted in a format which allows for easy removal, filing and/or recycling of paper and binder materials. Use of oversized paper is strongly discouraged unless necessary for clarity or legibility.

20. **HISTORICALLY UNDERUTILIZED BUSINESSES (HUB):** The State is committed to retaining Vendors from diverse backgrounds, and it invites and encourages participation in the procurement process by businesses owned by minorities, women, disabled, disabled business enterprises and non-profit work centers for the blind and severely disabled. In particular, the State encourages participation by Vendors certified by the State Office of Historically Underutilized Businesses, as well as the use of HUB-certified vendors as subcontractors on State contracts.

21. **RECIPROCAL PREFERENCE:** G.S. 143-59 establishes a reciprocal preference requirement to discourage other states from favoring their own resident Vendors by applying a percentage increase to the price of any bid from a North Carolina resident Vendor. To the extent another state does so, North Carolina applies the same percentage increase to the bid of a Vendor resident in that state. Residency is determined by a Vendor's "Principal Place of Business," defined as that principal place from which the overall trade or business of the Vendor is directed or managed.

22. **INELIGIBLE VENDORS:** As provided in G.S. 147-86.59 and G.S. 147-86.82, the following companies are ineligible to contract with the State of North Carolina or any political subdivision of the State:

a) any company identified as engaging in investment activities in Iran, as determined by appearing on the Final Divestment List created by the State Treasurer pursuant to G.S. 147-86.58, and

b) any company identified as engaged in a boycott of Israel as determined by appearing on the List of restricted companies created by the State Treasurer pursuant to G.S. 147-86.81.

A contract with the State or any of its political subdivisions by any company identified in a) or b) above shall be void ab initio.

23. **VALID TAXPAYER INFORMATION:** All persons or entities desiring to do business with the State must provide correct taxpayer information on North Carolina specified forms. The Substitute W-9 and Instructions are here:

https://files.nc.gov/ncosc/documents/NCAS_forms/State_of_North_Carolina_Sub_W-9_01292019.pdf

24. **VENDOR REGISTRATION AND SOLICITATION NOTIFICATION SYSTEM:** The North Carolina electronic Vendor Portal (eVP) allows Vendors to electronically register free with the State to receive electronic notification of current procurement opportunities available on the Interactive Purchasing System (IPS), as well as notifications of status changes to those Solicitations. Online registration and other purchasing information is available at the following website: <http://ncadmin.nc.gov/about-doa/divisions/purchase-contract>.

25. The status of a Vendor's E-Procurement Services account(s) shall be considered a relevant factor in determining whether to approve the award of a Contract resulting from this Solicitation document. Any Vendor with an E-Procurement Services account that is in arrears by 91 days or more at the time of bid opening may be suspended or deactivated, at the State's discretion, and may be disqualified from further evaluation or consideration.

26. **TABULATIONS:** Bid tabulations can be electronically retrieved at the Interactive Purchasing System (IPS), <https://www.ips.state.nc.us/ips/BidNumberSearch.aspx>. Click on the IPS BIDS icon, click on Search for Bid, enter the bid number, and then search. Tabulations will normally be available at this web site not later than one working day after the bid opening. If negotiation is anticipated under 01 NCAC 05B.0503, pricing may not be public until award. Lengthy or complex tabulations may be summarized, with other details not made available on IPS. Requests for additional details or information concerning such tabulations cannot be honored.

27. **NC BIDS:** NC BIDS is an electronic bidding application that allows an agency to receive Vendor responses electronically for specified Solicitations, saving time and money by eliminating the need to print and ship paper proposal packages. Each individual Solicitation document will indicate whether responses must be submitted electronically through NC BIDS or whether paper responses are required. Submissions that do not comply with the stated submission method will be deemed non-responsive. For more information and online training on NC Bids, visit <https://ncadmin.nc.gov/about-doa/divisions/purchase-and-contract/nc-bids/nc-bids-vendors>

28. **CONFIDENTIAL INFORMATION:** To the extent permitted by applicable statutes and rules, the State will maintain as confidential trade secrets in bids that the Vendor does not wish disclosed. As a condition to confidential treatment, each page containing trade secret information shall be identified in boldface at the top and bottom as "CONFIDENTIAL" by the Vendor, with specific trade secret information enclosed in boxes, marked in a distinctive color or by similar indication. Cost information shall not be deemed confidential under any circumstances. Regardless of what a Vendor may label as a trade secret, the determination whether it is or is not entitled to protection will be determined in accordance with G.S. 132-1.2. Any material labeled confidential constitutes a representation by the Vendor that it has made a reasonable effort in good faith to determine that such material is, in fact, a trade secret under G.S. 132-1.2. Vendors are urged to limit the marking of information as a trade secret or as confidential so far as is possible. If a legal action is brought to require the disclosure of any material so marked confidential, the State will notify Vendor of such action and allow Vendor to defend the confidential status of its information.

29. **COMMUNICATIONS BY VENDORS:** In submitting its bid, the Vendor agrees not to discuss or otherwise reveal the contents of its bid to any source, government or private, outside of the using or issuing agency until after the award of the Contract or cancellation of this Solicitation. All Vendors are forbidden from having any communications with the using or issuing agency, or any other representative of the State concerning the Solicitation, during the evaluation of the bids (i.e., after the public opening of the bids and before the award of the Contract), unless the State directly contacts the Vendor(s) for purposes of seeking clarification or another reason permitted by the Solicitation. A Vendor shall not: (a) transmit to the issuing and/or using agency any information commenting on the ability or qualifications of any other Vendor to provide the advertised good, equipment, commodity; (b) identify defects, errors and/or omissions in any other Vendor's bid and/or prices at any time during the procurement process; and/or (c) engage in or attempt any other communication or conduct that could influence the evaluation or award of a Contract related to this Solicitation. Failure to comply with this requirement shall constitute sufficient justification to disqualify a Vendor from a Contract award. Only those communications with the using agency or issuing agency authorized by this Solicitation are permitted.

30. **INFORMAL COMMENTS:** The State shall not be bound by informal explanations, instructions or information given at any time by anyone on behalf of the State during the competitive process or after award. The State is bound only by information provided in writing in this Solicitation document and in formal Addenda.

31. **PROTEST PROCEDURES:** When a Vendor wishes to protest a contract awarded by the Division of Purchase and Contract or awarded by an agency when the award amount exceeds the agency's general delegation and the contract is not subject to a special delegation or exemption, a Vendor shall submit a written request addressed to the State Purchasing Officer at: Division of Purchase and Contract, 1305 Mail Service Center, Raleigh, NC 27699-1305.

When a Vendor wishes to protest a contract awarded by an agency when the award amount is less than an agency's general delegation or when the contract is subject to a special delegation or exemption the Vendor shall submit a written request to protest to the purchasing officer of the agency that issued the award.

*The protest request must be received in the proper office within thirty (30) consecutive calendar days from the date of the Contract award. Protest letters **shall** contain specific grounds and reasons for the protest, how the protesting party was harmed by the award made and any documentation providing support for the protesting party's claims.*

Note: Contract award notices are sent only to the Vendor actually awarded the contract, and not to every person or firm responding to a Solicitation. Award notices are posted on IPS at <https://www.ips.state.nc.us/ips/>. All protests will be handled pursuant to the North Carolina Administrative Code, 01 NCAC 05B .1519.

32. **ORDER OF PRECEDENCE:** In cases of conflict between specific provisions in this Solicitation or those in any resulting Contract documents, the order of precedence shall be (high to low) (1) any special terms and conditions specific to this Solicitation document, including any negotiated terms, (2) requirements and specifications and administration, (3) North Carolina General Terms and Conditions in North Carolina General Terms And Conditions, (4) Instructions To Vendors, (5) Pricing, and (6) Vendor's Bid.

33. **ADDENDA:** Critical updated information may be included in Addenda to the Solicitation. It is important that all Vendors bidding on the Solicitation periodically check for any Addenda that may be issued prior to the bid opening date. All Vendors shall be deemed to have read and understood all information in the Solicitation document and all Addenda thereto. Vendors are also responsible for obtaining and complying with all Addenda and other changes that may be issued concerning the Solicitation.

34. **ORAL EXPLANATIONS NON-BINDING:** Oral explanations or instructions will not be binding. Any information given a prospective Offeror concerning a Solicitation will be furnished promptly to all other prospective Offerors as an Addendum to the Solicitation, if that information is necessary for submitting offers or if the lack of it would be prejudicial to other prospective Offerors. See clause herein entitled "Duty to Inquire." The State will not identify You in its answer to Your question.

35. **MAXIMUM COMPETITION:** The State seeks to permit the maximum practicable competition. Offerors are urged to advise the State, as soon as possible, regarding any aspect of this procurement, including any aspect of the Solicitation that unnecessarily or inappropriately limits full and open competition. If the State determines that any changes will be made resulting from the questions asked, then such decisions will be communicated in the form of an Addendum.

36. **FIRM OFFER:** Vendor's bid shall constitute a firm offer. By execution and delivery of a bid in response to a Solicitation, the Vendor agrees that any additional or modified terms and conditions, whether submitted purposefully or inadvertently, shall have no force or effect, and will be disregarded. Any bid that contains language that indicates the bid is non-binding or subject to further negotiation before a contractual document may be signed shall be rejected.

ATTACHMENT E: NORTH CAROLINA GENERAL TERMS & CONDITIONS

1. PERFORMANCE

It is anticipated that the tasks and duties undertaken by the Vendor under the contract which results from the State solicitation in this matter (Contract) shall include Services, and/or the manufacturing, furnishing, or development of goods and other tangible features or components, as deliverables.

Except as provided herein, and unless otherwise mutually agreed in writing prior to award, any deliverables not subject to an agreed Vendor license and provided by Vendor in performance of this Contract shall be and remain property of the State. During performance, Vendor may provide proprietary components as part of the deliverables that are identified in this Contract. Vendor grants the State a personal, permanent, non-transferable license to use such proprietary components of the deliverables and other functionalities, as provided under this Contract. Any technical and business information owned by Vendor or its suppliers or licensors made accessible or furnished to the State shall be and remain the property of the Vendor or such other party, respectively. Vendor agrees to perform under the Contract in at least the same or similar manner provided to comparable users and customers. The State shall notify the Vendor of any defects or deficiencies in performance or failure of deliverables to conform to the standards and specifications provided in this Contract. Vendor agrees to timely remedy defective performance or any nonconforming deliverables on its own or upon such notice provided by the State.

Vendor has a limited, non-exclusive license to access and use State Data provided to Vendor, but solely for performing its obligations under and during this Agreement and in confidence as further provided for herein or by law.

Vendor or its suppliers, as specified and agreed in the Contract, shall provide support assistance to the State related to all Services performed or other deliverables procured hereunder during the State's normal business hours. Vendor warrants that its support, customer service, and assistance will be performed at a minimum in accordance with generally accepted and applicable industry standards.

The State may document and take into account in awarding or renewing future procurement contracts the general reputation, performance and performance capabilities of the Vendor under this Contract as provided by G.S. 143-52 and 143-135.9 (a) and (b) (Best Value).

2. DEFAULT AND TERMINATION

In the event of default by the Vendor, the State may, as provided by NC law, procure goods and services necessary to complete performance hereunder from other sources and hold the Vendor responsible for any excess cost occasioned thereby. See, G.S. 25-2-712. In addition, and in the event of default by the Vendor under the Contract, or upon the Vendor filing a petition for bankruptcy or the entering of a judgment of bankruptcy by or against the Vendor, the State may immediately cease doing business with the Vendor, terminate the Contract for cause, and take action to recover relevant damages, and if permitted by applicable law, debar the Vendor from doing future business with the State. 01 NCAC 05B.1520.

If, through any cause, Vendor shall fail to fulfill in a timely and proper manner the obligations under the Contract, including, without limitation, in these North Carolina General Terms and Conditions, the State shall have the right to terminate the Contract by giving thirty days written notice to the Vendor and specifying the effective date thereof. In that event, any or all finished or unfinished deliverables that are prepared by the Vendor under the Contract shall, at the option of the State, become the property of the State (and under any applicable Vendor license

to the extent necessary for the State to use such property), and the Vendor shall be entitled to receive just and equitable compensation for any acceptable deliverable completed (or partially completed at the State's option) as to which such option is exercised. Notwithstanding, Vendor shall not be relieved of liability to the State for damages sustained by the State by virtue of any breach of the Contract, and the State may withhold any payment due the Vendor for the purpose of setoff until such time as the exact amount of damages due the State from such breach can be determined. The State, if insecure as to receiving proper performance or

provision of goods deliverables, or if documented Vendor Services performance issues exist, under this Contract, may require at any time a performance bond or other alternative performance guarantees from a Vendor without expense to the State as provided by applicable law. G.S. 143-52(a); 01 NCAC 05B.1521; G.S. 25-2-609.

If this Contract contemplates deliveries or performance over a period of time, the State may terminate this Contract for convenience at any time by providing 60 days' notice in writing from the State to the Vendor. In that event, any or all finished or unfinished deliverables prepared by the Vendor under this Contract shall, at the option of the State, become its property, and under any applicable Vendor license to the extent necessary for the State to use such property. If the Contract is terminated by the State for convenience, the State shall pay for those items or Services for which such option is exercised, less any payment or compensation previously made.

3. INTERPRETATION, CONFLICT OF TERMS

The definitions in the Instructions to Vendors in the relevant solicitation for this Contract, and in 01 NCAC 05A.0112 are specifically incorporated herein.

If federal funds are involved in the transactions under this Contract, the Vendor shall comply with all applicable state and federal requirements and laws, except where State requirements are more restrictive. See the additional federal requirements included in the "Federal Funds Provisions" section below.

"Purchasing Agency" herein is as defined in 01 NCAC 05A.0112, except that if this Contract has been entered into by the NC Department of Administration, Division of Purchase and Contract (P&C) as indicated in the Contract (e.g., a State Term Contract), then P&C will then be a Purchasing Agency for the purposes herein and in the Federal Funds Provisions, below.

Contracts made in contravention of General Statutes, Chapter 143, Article 3 and the Rules in 05 NCAC Chapter 5, are void. G.S. 143-58.

In cases of conflict between specific provisions in this Contract and any other referenced documents, the Order of Precedence shall be (high to low) (1) any special terms and conditions specific to this Contract, including any negotiated terms; (2) requirements, specifications and administrative terms; (3) these NORTH CAROLINA GENERAL TERMS AND CONDITIONS, including the Federal Funds Provisions; (4) Definitions and other provisions in INSTRUCTIONS TO VENDORS in this solicitation, which is specifically incorporated in this Contract; (5) PRICING, and (6) Vendor's Bid, to the extent specifically and mutually incorporated into this Contract.

In the event of conflict of terms between applicable provisions of the Federal Funds Provisions and the other provisions of these North Carolina General Contract Terms and Conditions, the more restrictive provision will govern.

4. GOVERNMENTAL RESTRICTIONS

In the event any Governmental restrictions are imposed which necessitate alteration of the goods, material, quality, workmanship, or performance of the Services offered, prior to acceptance, it shall be the responsibility of the Vendor to notify the State Contract Lead or Administrator indicated in the Contract at once, in writing, indicating the specific regulation which requires such alterations. The State reserves the right to accept any such alterations, including any price adjustments occasioned thereby, or to cancel the Contract.

5. AVAILABILITY OF FUNDS

Any and all payments to the Vendor shall be dependent upon and subject to the availability of funds appropriated or allocated to the agency for the purpose set forth in the Contract.

6. TAXES:

Any applicable taxes shall be invoiced as a separate item.

G.S. 143-59.1 bars the Secretary of Administration from entering into Contracts with Vendors if the Vendor or its affiliates meet one of the conditions of G.S. 105-164.8(b) and refuses to collect use tax on sales of tangible personal property to purchasers in North Carolina. Conditions under G.S. 105-164.8(b) include:

- a) Maintenance of a retail establishment or office,
- b) Presence of representatives in the State that solicit sales or transact business on behalf of the Vendor and (3) Systematic exploitation of the market by media-assisted, media-facilitated, or media-solicited means. By execution of the proposal document the Vendor certifies that it and all of its affiliates, (if it has affiliates), collect(s) the appropriate taxes.

The agency(ies) participating in the Contract are exempt from Federal Taxes, such as excise and transportation. Exemption forms submitted by the Vendor will be executed and returned by the using agency.

Prices offered are not to include any personal property taxes, nor any sales or use tax (or fees) unless required by the North Carolina Department of Revenue.

7. SITUS AND GOVERNING LAWS:

- a) This Contract is made under and shall be governed by and construed in accordance with the laws of the State of North Carolina, including, without limitation, the relevant provisions of G.S. Chapter 143, Article 3, and the Rules in 01 NCAC Chapter 05, and any applicable successor provisions, without regard to its conflict of laws rules, and within which State all matters, whether sounding in Contract, tort or otherwise, relating to its validity, construction, interpretation and enforcement shall be determined. G.S. 22B-3.
- b) Vendor shall comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business and its performance in accordance with the Contract, including those of federal, state, and local agencies having jurisdiction and/or authority, and including, without limitation, the applicable requirements in the Federal Funds Provisions, below.
- c) Non-resident Vendor corporations not formed under NC law must be domesticated in the Office of the NC Secretary of State in order to contract with the State of North Carolina. G.S. 55A-15- 01.

8. NON-DISCRIMINATION COMPLIANCE:

Wholly State Funded Contracts.

- a) The Vendor will take affirmative action in complying with all State requirements and laws concerning fair employment and employment of people with disabilities, and concerning the treatment of all employees without regard to discrimination by reason of race, color, religion, sex, national origin or disability or rights, such as preserved by Governor Roy Cooper Order E.O. 24 or 25, and will take necessary action to ensure that its internal employee policies and procedures are consistent with Executive Order #82 (Roy Cooper, December 6, 2018), which extends workplace protections and accommodations to pregnant employees.
- b) Federal Law, such as the following, applies as provided for therein: Titles VI and VII of the Civil Rights Act of 1964 (PL 88-352), and the regulations issued pursuant thereto (prohibiting discrimination on the basis race, color, national origin and ensuring that individuals are employed, and that employees are treated during employment, without regard to their race, color, creed, national origin, sex, or age); Title IX of the Education Amendments of 1972 (codified as amended at 20 U.S.C. § 1681 et seq.) (prohibiting discrimination on the basis of sex); Titles I, II, III, IV, and V of the Americans with Disability Act of 1990 (prohibiting discrimination on the basis of disability); Section 504 of the Rehabilitation Act of 1973 (codified as amended at 29 U.S.C. § 794) (prohibiting discrimination on the basis of handicap); the Age Discrimination Act of 1975 (codified as amended at 42 U.S.C. § 6101 et seq.) (prohibiting age discrimination); Executive Order 11063 as amended by Executive Order 2259; and Section 109 of the Housing and Community Development Act of 1974, as amended.

Contracts Partially or Wholly Federally Funded.

To the extent federal funding is involved in this procurement, in whole or in part, compliance with the following is required:

- c) The Vendor shall comply with all Federal Funds Provisions requirements (below) and not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Vendor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Vendor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- d) The Vendor shall, in all solicitations or advertisements for employees placed by or on behalf of the Vendor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin:
- e) The Vendor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Vendor's legal duty to furnish information.
- f) The Vendor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Vendor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- g) The Vendor shall comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- h) The Vendor shall furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and shall permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- i) In the event of the Vendor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Vendor may be declared ineligible for further Government contracts or federally assisted construction Contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- j) The Vendor shall include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Vendor will take such action with respect to any subcontract or purchase order as the administering agency

may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event a Vendor (or herein "applicant," as applicable in context within these Federal Funds Provisions) becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Vendor may request the United States to enter into such litigation to protect the interests of the United States.

- k) The Vendor further agrees that it shall be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the Vendor so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract.
- l) The Vendor agrees that it shall assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Vendors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it shall furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it shall otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.
- m) The Vendor further agrees that it shall refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Vendor debarred from, or who has not demonstrated eligibility for, Government Contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Vendors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the Vendor agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part any relevant grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the Vendor under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such Vendor; and refer the case to the Department of Justice for appropriate legal proceedings.

9. PAYMENT TERMS

Payment terms are net not later than 30 days after receipt of a correct invoice or acceptance of goods, whichever is later. The Procuring Agency is responsible for all payments to the Vendor under the Contract. Payment by some agencies may be made by procurement card. If the Vendor accepts Visa, MasterCard, etc., from other customers, it shall accept procurement card payment by the State under the terms provided for the procurement card. 01 NCAC 05B.1523. If payment is made by procurement card, then payment for amounts then due may be processed immediately by the Vendor.

The State does not agree in advance, in contract, pursuant to Constitutional limitations, to pay costs such as interest, late fees, penalties or attorney's fees. This Contract will not be construed as an agreement by the State to pay such costs and will be paid only as ordered by a court of competent jurisdiction.

10. CONDITION AND PACKAGING

Unless otherwise expressly provided by special terms and conditions or specifications in the Contract or by express, specific federal law or rule, it is understood and agreed that any item offered or shipped has not been sold or used for any purpose, is newly manufactured, and shall be in first class condition. All containers/packaging shall be suitable for handling, storage or shipment.

11. INTELLECTUAL PROPERTY WARRANTY AND INDEMNITY

Vendor shall hold and save the State, its officers, agents and employees, harmless from liability of any kind, including costs and expenses, resulting from infringement of the rights of any third party in any Services or copyrighted material, patented or patent-pending invention, article, device or appliance delivered in connection with the Contract.

- a) Vendor warrants to the best of its knowledge that:
 - 1) Performance under the Contract does not infringe upon any intellectual property rights of any third party; and
 - 2) There are no actual or threatened actions arising from, or alleged under, any intellectual property rights of any third party.
- b) Should any deliverables supplied by Vendor become the subject of a claim of infringement of a patent, copyright, trademark or a trade secret in the United States, the Vendor, shall at its option and expense, either procure for the State the right to continue using the deliverables, or replace or modify the same to become non-infringing. If neither of these options can reasonably be taken in Vendor's judgment, or if further use shall be prevented by injunction, the Vendor agrees to cease provision of any affected deliverables and refund any sums the State has paid Vendor for such deliverables and make every reasonable effort to assist the State in procuring substitute deliverables. If, in the sole opinion of the State, the cessation of use by the State of any such deliverables due to infringement issues makes the retention of other items acquired from the Vendor under this Agreement impractical, the State shall then have the option of terminating the Agreement, or applicable portions thereof, without penalty or termination charge; and Vendor agrees to refund any sums the State paid for unused Services or other deliverables.
- c) The Vendor, at its own expense, shall defend any action brought against the State to the extent that such action is based upon a claim that the deliverables supplied by the Vendor, their use or operation, infringe on a patent, copyright, trademark or violate a trade secret in the United States. The Vendor shall pay those costs and damages finally awarded or agreed in a settlement against the State in any such action. Such defense and payment shall be conditioned on the following:
 - 1) That the Vendor shall be notified within a reasonable time in writing by the State of any such claim; and
 - 2) That the Vendor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise provided, however, that the State shall have the option to participate in such action at its own expense.
- d) Vendor will not be required to defend or indemnify the State to the extent any claim by a third party against the State for infringement or misappropriation results solely from the State's material alteration of any Vendor-branded deliverables or Services, or from the continued use of the Services or other deliverables after receiving written notice from the Vendor of the claimed infringement.

12. ADVERTISING

Vendor agrees not to use the existence of the Contract or the name of the State of North Carolina as part of any commercial advertising or marketing of products or Services except as provided in 01 NCAC 05B.1516. A Vendor may inquire whether the State is willing to be included on a listing of its existing customers.

13. ACCESS TO PERSONS AND RECORDS

During, and after the term hereof during the relevant period required for retention of records by State law (G.S. 121-5, 132-1 et seq., typically five years), the State Auditor and any Purchasing Agency's internal auditors shall have access to persons and records related to the Contract to verify accounts and data affecting fees or performance under the Contract, as provided in G.S. 143-49(9). However, if any audit, litigation or other action arising out of or related in any way to this project is commenced before the end of the such retention of records

period, the records shall be retained for one (1) year after all issues arising out of the action are finally resolved or until the end of the record retentions period, whichever is later.

14. ASSIGNMENT OR DELEGATION OF DUTIES

- a) As a convenience to the Vendor, the State may include any person or entity designated by the Vendor in writing as a joint payee on the Vendor's payment check. In no event shall such approval and action obligate the State to anyone other than the Vendor.
- b) If Vendor requests any assignment, or delegation of duties, the Vendor shall remain responsible for fulfillment of all Contract obligations. Upon written request, the State may, in its unfettered discretion, approve an assignment or delegation to another responsible entity acceptable to the State, such as the surviving entity of a merger, acquisition or a corporate reorganization if made as part of the transfer of all or substantially all of the Vendor's assets. 01 NCAC 05B.1507. Any purported assignment or delegation made in violation of this provision shall be void and a material breach of the Contract. G.S. 143-58.

15. INSURANCE

- a) **FACTORS** - This section provides minimum insurance coverage rates that are applicable to most moderate risk solicitations. Agency Risk Analysis will determine if higher insurance coverage amounts are needed based on the likelihood and severity of exposure to the State. The analysis is documented in writing in the official file and considers the following non-exclusive factors:
 - 1) Potential for damage to State property or property of a third party,
 - 2) Potential for bodily injury to State employees or third parties,
 - 3) Whether Vendor will transport State property, clients, or employees,
 - 4) Use of a vehicle to accomplish the work or to travel to or from State locations,
 - 5) Anticipated physical contacts of the Vendor with the State,
 - 6) Anticipated number and activity of Vendor personnel within the State, and
 - 7) Any other unique considerations that could result in harm, bodily injury, or property damage.
 - 8) The Purchasing Agency has specified elsewhere in this Contract any increase in the minimum insurance coverage requirements below if the risk from the above factors is high.
- b) **REQUIREMENTS** - Providing and maintaining adequate insurance coverage is a material obligation of the Vendor and is of the essence of the Contract. All such insurance shall meet all laws of the State of North Carolina. Such insurance coverage shall be obtained from companies that are authorized to provide such coverage and that are authorized by the NC Commissioner of Insurance to do business in North Carolina. The Vendor shall at all times comply with the terms of such insurance policies, and all requirements of the insurer under any such insurance policies, except as they may conflict with existing North Carolina laws or the Contract. The limits of coverage under each insurance policy maintained by the Vendor shall not be interpreted as limiting the Vendor's liability and obligations or the indemnification requirements under the Contract. As provided above, a State agency is authorized, upon written evaluation and substantiation in the official file of the significant risk of bodily injury and/or property or other damage in the contract, to require and enforce higher coverage limits to mitigate the potential risk of liability to the State.
- c) **COVERAGE** - During the term of the Contract, the Vendor at its sole cost and expense shall provide commercial insurance of such type and with such terms and limits as may be reasonably associated with the Contract. At a minimum, the Vendor shall provide and maintain the following coverage and limits, subject to higher requirements by an agency after the risk analysis indicated above:
 - 1) For Small Purchases as defined under North Carolina Administrative Code 01 NCAC 05A.0112 (35) and 05B.0301 (1), the minimum applicable insurance requirements for Worker's Compensation and Automobile Liability will apply as required by North Carolina law. The Purchasing Agency may

require Commercial General Liability coverage consistent with the assessed risks involved in the procurement.

2) For Contracts valued in excess of the Small Purchase threshold, but up to \$1,000,000.00 the following limits shall apply:

- Worker's Compensation - The Vendor shall provide and maintain Worker's Compensation Insurance, as may be required by the laws of North Carolina, as well as employer's liability coverage, with minimum limits of \$250,000.00, covering all of Vendor's employees who are engaged in any work under the Contract in North Carolina. If any work is sub-Contracted, the Vendor shall require the sub-contractor to provide the same coverage for any of its employees engaged in any work under the Contract within the State.
- Commercial General Liability - General Liability Coverage on a Comprehensive Broad Form on an occurrence basis in the minimum amount of \$500,000.00 Combined Single Limit. Defense costs shall be in excess of the limit of liability.
- Automobile - Automobile Liability Insurance, to include liability coverage covering all owned, hired and non-owned vehicles, used within North Carolina in connection with the Contract. The minimum combined single limit shall be \$250,000.00 bodily injury and property damage; \$250,000.00 uninsured/under insured motorist; and \$2,500.00 medical payment.

d) For Contracts valued in excess of \$1,000,000.00 the following limits shall apply:

- Worker's Compensation - The Vendor shall provide and maintain Worker's Compensation Insurance, as may be required by the laws of North Carolina, as well as employer's liability coverage, with minimum limits of \$500,000.00, covering all of Vendor's employees who are engaged in any work under the Contract in North Carolina. If any work is sub-Contracted, the Vendor shall require the sub-contractor to provide the same coverage for any of its employees engaged in any work under the Contract within the State.
- Commercial General Liability - General Liability Coverage on a Comprehensive Broad Form on an occurrence basis in the minimum amount of \$1,000,000.00 Combined Single Limit. Defense costs shall be in excess of the limit of liability.
- Automobile - Automobile Liability Insurance, to include liability coverage covering all owned, hired and non-owned vehicles, used within North Carolina in connection with the Contract. The minimum combined single limit shall be \$500,000.00 bodily injury and property damage; \$500,000.00 uninsured/under insured motorist; and \$5,000.00 medical payment.

16. GENERAL INDEMNITY

- a) The Vendor shall indemnify, defend and hold and save the State, its officers, agents, and employees, harmless from liability of any kind, including all claims and losses accruing or resulting to any other person, firm, or corporation furnishing or supplying work, Services, materials, or supplies in connection with the performance of the Contract, and also from any and all claims and losses accruing or resulting to any person, firm, or corporation that may be injured or damaged by the Vendor in the performance of the Contract that are attributable to the negligence or intentionally tortious acts of the Vendor, provided that the Vendor is notified in writing within 30 days from the date that the State has knowledge of such claims.
- b) The Vendor, at its own expense shall defend any action brought against the State, under this section. The Vendor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise, provided, however, that the State shall have the option to participate in such action at its own expense.

- c) The Vendor represents and warrants that it shall make no claim of any kind or nature against the State's agents who are involved in the delivery or processing of Vendor deliverables or Services as part of this Contract with the State.
- d) As part of this provision for General indemnity, if federal funds are involved in this procurement, the Vendor warrants that it will comply with all relevant and applicable federal requirements and laws, and will indemnify, defend and hold and save the State harmless from any claims or losses resulting to the State from the Vendor's noncompliance with such federal requirements or law in the performance of this Contract. The representations and warranties in the preceding two sentences shall survive the termination or expiration of the Contract.
- e) The State does not participate in indemnification due to Constitutional restrictions, or arbitration, which effectively and unacceptably waives jury trial. See, G.S. 22B-3, -10.

17. ELECTRONIC PROCUREMENT: (G.S. 143-48.3)

GENERALLY APPLICABLE TO GOODS AND SERVICES PURCHASES:

- a) Purchasing shall be conducted through the Statewide E-Procurement Service. The State's third-party agent shall serve as the Supplier Manager for this E-Procurement Service. The Vendor shall register for the Statewide E-Procurement Service within two (2) business days of notification of award in order to receive an electronic purchase order resulting from award of this Contract.
- b) The Supplier Manager will capture an order from a State approved user, including the shipping and payment information, and submit the order in accordance with E-Procurement Service procedures. Subsequently, the Supplier Manager will send those orders to the appropriate Vendor on State Contract. The State or State-approved user, not the Supplier Manager, shall be responsible for the solicitation, bids received, evaluation of bids received, award of Contract, and the payment for goods delivered.
- c) Vendor shall at all times maintain the confidentiality of its username and password for the Statewide E-Procurement Services. Vendor shall be responsible for all activity and all charges by its agents or employees. Vendor agrees not to permit a third party to use its E-Procurement Services account. If there is a breach of security through the Vendor's account, Vendor shall immediately change its password and notify the Supplier Manager of the security breach by email. Vendor shall cooperate with the State and the Supplier Manager to mitigate and correct any security breach.

E-PROCUREMENT FEES – APPLICABLE ONLY TO GOODS PURCHASES

- d) THE SUCCESSFUL BIDDER(S) SHALL PAY A TRANSACTION FEE, CURRENTLY 1.75% (.0175), ON THE TOTAL DOLLAR AMOUNT (EXCLUDING SALES TAXES) FOR THE AMOUNT OF ANY GOODS INCLUDED ON EACH PURCHASE ORDER ISSUED THROUGH THE STATEWIDE E-PROCUREMENT SERVICE (OR ANY OFFICIAL REPLACEMENT SERVICE). G.S. 66-58.12; See, NC E-Procurement Terms of Use. This applies to all purchase orders, regardless of the quantity or dollar amount of the purchase order. The transaction fee shall not be stated or included as a separate item on the invoice. Vendor will receive a credit for transaction fees they paid for the purchase of any item(s) if an item(s) is returned through no fault of the Vendor. Transaction fees are non-refundable when an item is rejected and returned, or declined, due to the Vendor's failure to perform or comply with specifications or requirements of the Contract.

- e) Vendor or its Authorized Reseller, as applicable, will be invoiced monthly for the State's transaction fee by the E-Procurement Supplier Manager (Supplier Manager), based on a) purchase activity for the prior month, or b) purchases for which the supplier invoice has been paid. Unless the Supplier Manager receives written notice from the Vendor identifying with specificity any errors in an invoice for the transaction fee within thirty (30) days of the receipt of invoice, such invoice shall be deemed to be correct and Vendor shall have waived its right to later dispute the accuracy and completeness of the invoice. Payment of the transaction fee by the Vendor is due to the account designated by the State within thirty (30) days after receipt of the invoice for the transaction fee, or it shall be considered a material breach of Contract.
- f) Pursuant to G.S. 147-86.23, the service will charge 1) interest on past due balances at the rate set by the Secretary of Revenue pursuant to G.S. 105-241.21 as of the date the balances are past due, and, 2) late payment penalties, currently ten percent (10%) of the account receivable. No interest shall be charged on disputed and overdue amounts to the extent the State agrees to reduce or adjust the amount in dispute. The Supplier Manager shall provide, whenever reasonably requested by the Vendor in writing (including electronic documents), supporting documentation from the E-Procurement Service that accounts for the amount of the invoice.

18. SUBCONTRACTING

Performance under the Contract by the Vendor shall not be subcontracted without prior written approval of the State's assigned Contract Lead. Unless otherwise agreed in writing, acceptance of a Vendor's proposal shall include approval to use the subcontractor(s) that have been specified therein.

19. CONFIDENTIALITY

Vendor information that cannot be shown to be, e.g., a trade secret, may be subject to public disclosure under the terms of the State Public Records Act (SPRA), beginning at G.S. 132.1. Blanket assertions of confidentiality are not favored, but confidentiality of specific material meeting one or more exceptions in the SPRA will be honored. Vendors are notified that if the confidentiality of material is challenged by other parties, the Vendor has the responsibility of defending the assertion of confidentiality. G.S. 143-52(a).

20. CARE OF STATE DATA AND PROPERTY

Any State property, information, data, instruments, documents, studies or reports given to or prepared or assembled by or provided to the Vendor under the Contract shall be kept as confidential, used only for the purpose(s) required to perform the Contract and not divulged or made available to any individual or organization without the prior written approval of the State.

The State's data and property in the hands of the Vendor shall be protected from unauthorized disclosure, loss, damage, destruction by a natural event or another eventuality. The Vendor agrees to reimburse the State for loss or damage of State property while in Vendor's custody. Such State Data shall be returned to the State in a form acceptable to the State upon the termination or expiration of this Agreement.

The Vendor shall notify the State of any security breaches within 24 hours as required by G.S. 143B- 1379. For further information, see, G.S. 75-60 et seq. Notice is given to the Vendor that the NC Department of Information Technology (DIT) has requirements relating to the security of the State network, and rules relating to the use of the State network, IT software and equipment, that the Vendor must comply with, as applicable. See, e.g., G.S. 143B-1376.

21. OUTSOURCING

Any Vendor or subcontractor providing call or contact center services to the State of North Carolina or any of its agencies shall disclose to inbound callers the location from which the call or contact center services are being provided.

If, after award of a Contract, and consistent with any applicable NC DIT security provisions, the Contractor wishes to relocate or outsource any portion of performance to a location outside the United States, or to contract with a subcontractor for any such performance, which subcontractor and nature of the work has not previously been disclosed to the State in writing, prior written approval must be obtained from the State Purchasing Agency. Vendor shall give notice to the Purchasing Agency of any relocation of the Vendor, employees of the Vendor, subcontractors of the Vendor, or other persons providing performance under a State Contract to a location outside of the United States. See, G.S. 143- 59.4.

22. ENTIRE AGREEMENT

The Contract (including any documents mutually incorporated specifically therein) resulting from a relevant solicitation represents the entire agreement between the parties and supersedes all prior oral or written statements or agreements. All promises, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the Contract expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable Federal or State statutes of limitation.

23. ELECTRONIC RECORDS

The State will digitize all Vendor responses to the relevant solicitation, if not received electronically, as well as any awarded Contract together with associated procurement- related documents. These electronic copies shall constitute a preservation record and shall serve as the official record of this procurement with the same force and effect as the original written documents comprising such record. Any official electronic copy, printout or other output readable by sight shown to reflect such record accurately shall constitute an "original."

24. AMENDMENTS

This Contract may be amended only by a written amendment duly executed by the State and the Vendor.

25. NO WAIVER

Notwithstanding any other language or provision in the Contract or in any Vendor- supplied material, nothing herein is intended nor shall be interpreted as a waiver of any right or remedy otherwise available to the State under applicable law. The waiver by the State of any right or remedy on any one occasion or instance shall not constitute or be interpreted as a waiver of that or any other right or remedy on any other occasion or instance.

26. FORCE MAJEURE

Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations as a result of events beyond its reasonable control, including, without limitation, fire, power failures, any act of war, hostile foreign action, nuclear explosion, riot, strikes or failures or refusals to perform under subcontracts, civil insurrection, earthquake, hurricane, tornado, other catastrophic epidemic or pandemic, natural event or Act of God.

27. SOVEREIGN IMMUNITY

Notwithstanding any other term or provision in the Contract, nothing herein is intended nor shall be interpreted as waiving any claim or defense based on the principle of sovereign immunity or other State or federal constitutional provision or principle that otherwise would be available to the State under applicable law.

28. FEDERAL FUNDS PROVISIONS:

Where federal funds are utilized in connection with this procurement, and to the extent applicable and absent stricter or controlling State provisions, the following federal provisions (in addition to the North Carolina General Terms and Conditions above) may apply consistent with Uniform Guidance in 2 C.F.R. § 200.326 and 2 C.F.R. Part 200, and its Appendix II. Relevant federal authorities may require additional provisions depending on the scope and context of the Contract. Failure or unwillingness of the Vendor to continually meet any of these requirements, as applicable, may result in Contract termination.

- a) No governmental non-competes. Vendor shall not impose or enforce any non-competition agreement upon the employees included in Vendor's bid that would prevent those employees from accepting any offer of employment from the State of North Carolina outside of the first Term of the Contract. By executing this Contract, the Vendor affirms this condition. This affirmation is a material condition for the State's award of any work under this Contract.
- b) Program Monitoring. Vendor agrees to assist and cooperate with the Federal grantor or funding agency and the relevant Purchasing Agency or their duly designated representatives in the monitoring of the project or projects to which this Contract relates, and to provide in form and manner approved by the Purchasing Agency such monitoring reports, progress reports, and the like as may be required and to provide such reports at the times specified.
- c) Remedies and Termination. For purposes of this section the State Remedies and Termination provisions above apply as written.
- d) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708).

Compliance with the Contract Work Hours and Safety Standards Act.

- Overtime requirements. No Vendor or subcontractor contracting for any part of the Contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in 29 C.F.R. §5.5(b)(1) the Vendor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Vendor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in 29 C.F.R. §5.5(b)(1), in the sum of \$26 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in 29 C.F.R. §5.5(b)(1).
- Withholding for unpaid wages and liquidated damages. The Purchasing Agency shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Vendor or subcontractor under any such contract or any other Federal contract with the same prime Vendor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime Vendor, such sums as may be determined to be necessary to satisfy any liabilities of such Vendor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in 29 C.F.R. §5.5(b)(2).

- SubContracts. The Vendor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (b)(1) through (4) of 29 C.F.R. §5.5 and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime Vendor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in 29 C.F.R. §5.5(b)(2) through (4).

Clean Air Act

- The Vendor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
- The Vendor agrees to report each violation to the Purchasing Agency and understands and agrees that the Purchasing Agency will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
- The Vendor agrees to include these requirements in each subcontract exceeding
- \$150,000 financed in whole or in part with Federal assistance.

Federal Water Pollution Control Act

- The Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
